The information in this book was edited and compiled by J.D. and Karol Burleson. It is the result of a great deal of hard work by Bobbie Nell Burleson Efird, Joyce Burleson, James Eddie Poplin, Jim Morgan, Louise Clark, LB TEETER and Sethell Burleson all descendants of William Burleson. We have gathered this information from public records and family members. This is an ongoing work-in-progress and we intend to make corrections and additions as needed. 3. SARAH HARWOOD, born 1810; died October 1855 in SUSIE HARWOOD CEM, #1228 ROWLAND RD. DOWN FARM RD TO BRANCH. She was the daughter of **6. HOWELL HARWOOD** and **7. CELIA**.

Notes for WILLIAM (BILLIE) BURLESON:

GrandPa Billie as he was known on Canton Road was quite a character. Almost all the older Burlesons remember him and they all have stories passed down about him. He raised two families. His first wife was Sarah Harwood. They raised seven known children, two girls and five boys. Sarah died sometime prior to 1860.

William (Billie) Burleson was conscripted on April 10, 1864 into the 34th NC, part of Scale's Brigade. Billie had three sons already in the service: Absalom in the 10th Artillery, Ebin in the 28th NC, and Isaac in the 42nd NC. Howell would follow in June 1864. He was a 51 year old widower with seven children when he was taken prisoner on 6 May 1864 in the opening battles of the Wilderness Campaign. Billie returned home at the end of the war to be united with his four oldest sons, all hardened veterans of the war. He married Rhoda Springer and raised seven more children.

Men of the William "Billie" Burleson Family That Served North Carolina

William "Billie" Burleson was born in 1812 on the Little Bear Creek in the Western part of Montgomery County that is now known as Stanly County. Billie's grandfather, Isaac, was given this land for his service in the fight for American Independence. Isaac received 100 acres for serving as an infantryman for North Carolina.

The leaders of Stanly County anticipated the War Between the States. They raised a company of infantry for State Service two weeks before North Carolina seceded. Billie's two younger brothers, Lee and Nathan, would join the first day and both would die in the war.

Before the war concluded at Appomattox, every Burleson listed as "Head of Household" in the 1860 census from Stanly County and their sons of age served our Confederate States of America.

In February 1862, Billie's third oldest son Isaac, age 20, volunteered in Company C 42nd Infantry. He would serve North Carolina and the Army of Northern Virginia.

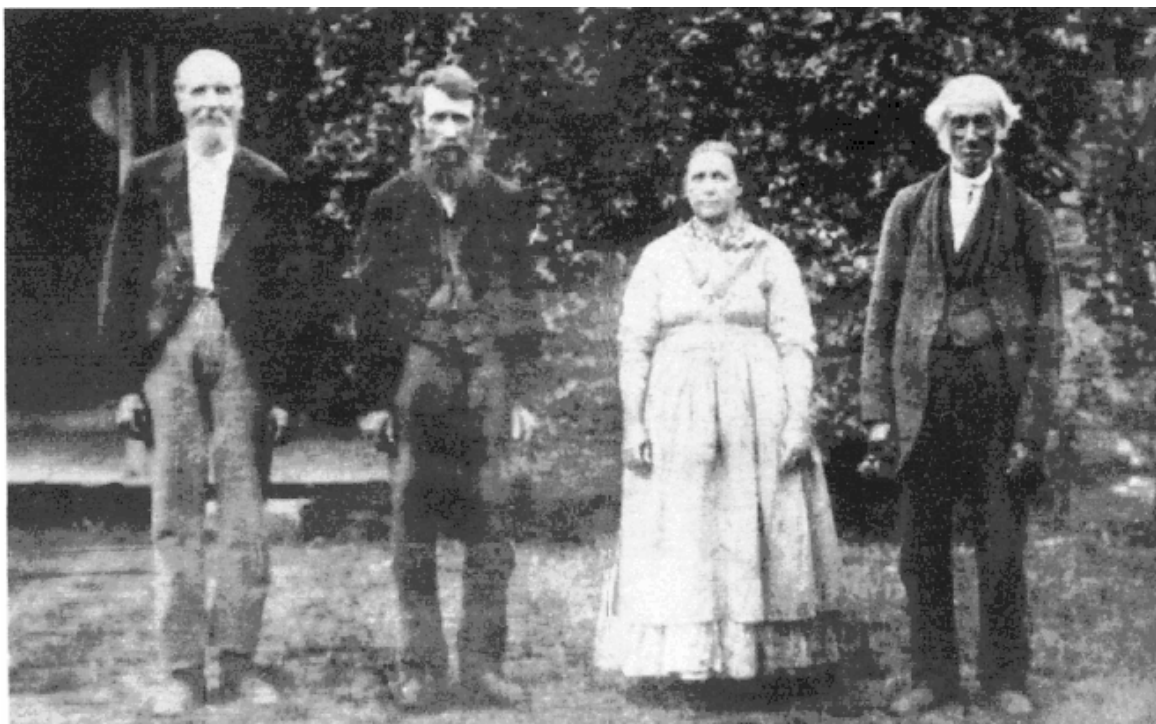

In March of 1862 Billie's second oldest son Ebin, age 22 volunteered for Company K of the 28th Infantry. In August 1862 the oldest son Absalom, volunteered for the Artillery.

Billie himself was conscripted in April 1864 to Scales Brigade.

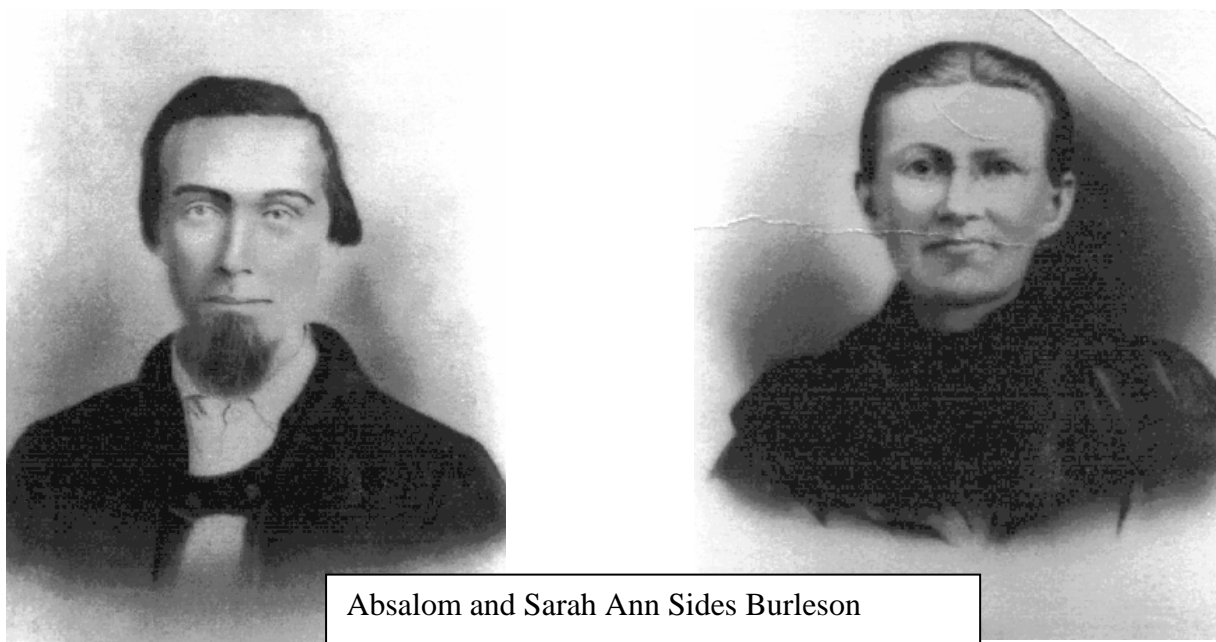

The fourth oldest son, Howell, age 16, was conscripted in June 1864 into the 70th Regiment of Junior Reserves.

Billie's two daughters were both married to husbands who served our South. William Hatley enlisted at age 22 years in March 1862 into Company C 42nd Infantry. Daniel Bowers was conscripted into Company F 5th North Carolina. This left only the youngest son William Jr., age 13, at home to protect and provide for the seven families whose heads of household were gone to war.

Notes for EBIN BURLESON:

This is a article that was published in the Parapet, a newsletter put out by the Point Lookout POW Org. Nov/Dec 1999.

Ebin Burleson lived in Stanly County, NC. He had fair complexion, red hair, blue eyes and was five and a half feet tall. At age 24, he fought in all of Lee's campaigns beginning on March 15, 1862. Ebin even witnessed his company's regimental flag being taken at the wall by the 126th NY Inf. It was during that battle that cousin J. Benjamin Burleson, 37th NC Infantry, left on the field, wounded for the third time (once in the hand at Fredericksburg), was captured and sent to Point Lookout POW camp. Uncle Joseph Burleson was captured at Harrisonburg, VA (after being shot in the right thigh 6 days prior at Winchester); cousin David Derric Burleson, 5th NC Inf, was captured at Cedar Creek; cousin John Wesley Burleson, 28th NC Inf, was captured at Waterloo, cousin William Burleson, 42nd NC Inf, was captured at Cold Harbor...all sent to Point Lookout! William died after a transfer to Elmira Prison. On April 2, 1865 Ebin was captured at Petersburg. He too, was sent to Point Lookout POW Camp until his release on June 23, 1865.

Ebin and his relatives were true Southerners.

His father, known as Grandpa Billie was conscripted because of the shortage of men in 1864 at the age of 52! He also had four brothers, Absolom, Isaac, and Howell to serve the CSA. Several of the teenage Burleson cousins were registered with Junior Reserves!

In 1893, Ebin married nineteen year old Dora Hopkins and they had eight children. The last baby girl was born on April 4, 1914 and they named her Dallie Mae. Dallie Mae Burleson Moore is our latest PLPOW Real Daughter!

Ebin farmed all his life and lived to be 89 years old. He is buried in a private family cemetery in Stanly Co NC

Last month, the Burlesons hosted a family reunion, with over one hundred in attendance. A program was presented, highlighting their family members who had served in The War Between The States. At this time, John D. Burleson, Ebin's great grandson, adorned with his PLPOW medal with four stars, presented 85 year old Dallie Mae with her PLPOW Real Daughter certificate! Dallie Mae will receive a free lifetime membership in our Descendants Organization.

The Burleson Family have discovered that their ancestors have been true patriots for over 200 years, starting with American Revolution in the NC milita during our first war for Independence, all the way down to present day. Last year, they honored all 65 of their Burlesons who had been WWII veterans.

There's nothing like family pride and preserving your family's heritage for the present generation and for those who'll follow in your footsteps when you're gone. We need to do as this family has done....tell and show our children!

Ebin Burleson was born January 11, 1839, the son of William (Grand-paw Billie) and Sarah Harwood Burleson. He was a farmer and a life long resident of Stanly County and made his home on Burleson Road. According to his military records, he had fair complexion, red hair, blue eyes and was five and a half feet tall. At age 24, he enlisted for the war on March 15, 1862 and fought in all of Lee's campaigns. Ebin was a member of Company K, 28th NC Regiment which was part of the Branch/Lane Brigade. On April 2, 1865 Ebin was captured at Petersburg. He too, was sent to Point Lookout POW Camp until his release on June 23, 1865. Family tradition says Ebin was starved half to death and was almost blind when he arrived home. It took several years for him to recover.

Ebin was active in Stanly County's reunions of Confederate Veterans. He died at the age of 89 on January 27, 1927, and was buried at Burleson Cemetery #2 on Parker Road in Stanly County, NC, where he rests today with his wife Dora Hopkins Burleson.

Notes for ISAAC BURLESON:
Isaac Burleyson
Company C 42nd North Carolina Hoke's Brigade
1842 - 1910

Isaac was the third son of William "Billie" and Sarah Harwood Burleyson of Little Bear Creek in Stanly County. He enlisted into the Confederate Army on February 1, 1862. His service started as a prison guard at Salisbury and ended at Bennett's Place in May 1865. This included service with the Army of Northern Virginia.

The 42nd saw action in the Eastern part of North Carolina in 1862 and 1863. In 1864 the 42nd, Hoke's Brigade, was sent to defend Richmond. General Grant suffered greatly in his attack at Cold Harbor against Hoke's Brigade.

The 42nd was positioned in the center and all other regiments were aligned to the left and right of the 42nd at Bentonville. This was the very last battle to stop Sherman's much larger army.

Isaac gave his service in full measure from February 1862 until the final Confederate surrender and the disbanding of the 42nd on May 2, 1865 at Center Church in Randolph County.

Isaac returned to Stanly County after the war to marry Mary Hearne and there they raised their family and helped to rebuild their community. Today they lay in rest in the family graveyard on Burleson Road.

Notes for JOSEPH BURLESON:

Joseph Burleyson Private Company K 57th North Carolina
Jubal Early's Division

Joseph Burleyson was the son of Isaac Jr. and Katherine Castle Burleyson. He was a life-long resident of Stanly County and made his home in the Little Bear Creek area. Joseph and his wife, Lucy Almond, raised three sons that fought for the Confederate Army. The oldest son, William, was a member of Company C 42nd Regiment and died as a prisoner at Elmira, New York. The middle son, John, died from disease while a member of Company H 14th Regiment, according to the pension records of Stanly County. Dennis was conscripted at age 16 into the 70th Regiment, but survived the war.

Joseph, age 41, was conscripted in March 1864 into Company K 57th Regiment, General Jubal Early's Division, but on August 31 at Winchester, he was shot through the hip and captured. After hospitalization in Baltimore and Yankee prison at Point Lookout, Joseph returned to Stanly County after he was released. He raised a large family.

My records show that Joseph was never paid his eleven dollars a month pay as a private because of his wounding and capture, but he surely paid a high price for the Southern Cause. He lost his brothers, Lee and Nathan, and his two oldest sons, William and John.

Years later, he was active in Stanly County's reunions of Confederate Veterans. He died at age 80 on February 24, 1902, and was buried at Friendship Methodist Church in Plyler, where this soldier rests today.

Notes for SARAH ANN SIDES:

Sarah Ann Sides was the only child of Charlie and Betsy Almond Sides. After Sarah's birth, I can find no record of Betsy. Infact, I can find no record of her before this. She fits into no other Almond line I can find. My only knowledge of Betsy comes from my Grandfather, John F. Burleson, when he records Charlie Sides and Betsy Almond as parents of Sarah Ann, his mother on her death certificate.

Did Betsy die in child birth? This is very possible. We do know that Charlie married Sophis Lyerly on November 17, 1844, the daughter of Jacob and Mary Moose Lyerly. From this union came 10 more children.

Mary Catherine	Daniel Luther	Lucy Alabama
Wesley Alexander	Julius E.	Attie Sophia
William	Frances R.	Lillie Belle
Columbus	Martha Ellen	

As you can see the Sides family was always in Sarah's mind and heart. The Sides family was also in the mind and heart of the Burleson family. From the 11 Sides children two Burleson brothers, Absalom and Eben, would marry sisters Sarah and Mary. Nephew Hurley would marry Lillie.

Sarah would also name her children after her brother and sisters, Frances, Attie and William Columbus(this was passed on to a son Guy and Mildred Burleson).

Our Harwood connection must be documented also. Absalom Harwood who after his service in the American Revolution settled on Bear Creek and became the first Harwood to establish a link to the Burlesons in Stanly County . His son Howell married Celia and they had 13 children. The oldest Sarah, married William Billie Burleson, and son, Absalom, would marry Billie's sister Dovey.

These two couples (Burleson and Harwood) honored their spouse's family by naming their children after them. We find Absalom, Eben, Howell Burleson and Isaac, William, Davidson Harwood.

The third connection, Davidson, who was the youngest child of Howell and Celia Harwood. We find Davidson a Deputy Sheriff of Stanly County in 1860 with his wife Sara Anne and child Frances. In 1861 a son, David B., was born.

We do not know what happened to Davidson, but we know that Absalom Burleson and Sara Anne Sides Harwood took up housekeeping and had 10 children.

Notes for ISAAC BURLESON SR:

Who is Isaac Burleson, Sr. ?

Isaac Burleson was the founder of the line which resulted in most of the Burlesons of Stanly County. We know the following about him. He served his country in the American Revolution as a member of Captain Charles Polk's Company of the North Carolina Militia. Records proving his service are contained in Record Group 93 (# 461) in the National Archives. Most of his service was in the Cross Creek (Fayetteville) area of the state, helping put down uprising Tory, or Loyalist, forces who continued to support King George. In 1785, following the Revolutionary War, the United States awarded ISAAC BURLESON, 100 acres of land along the Yadkin River in Montgomery County, probably as a reward for his services at Cross Creek

It is believed that Isaac was born either in Lunenburg Co., Virginia or Cumberland Co., North Carolina around 1750. ISAAC'S name first appears on a tax list in Montgomery Co. (now Stanly) in 1782. In the 1790 Census, he is shown as a resident of Montgomery County, with a wife, Martha Clay and three children; Isaac Jr. age 10, Jonathan age 8, and Rachel (infant). Tradition says ISAAC'S wife, the former Martha Clay, was related to Henry Clay, the outspoken Kentucky senator.

Isaac and Martha went on to produce five more children; Jane, David, Joseph, an unknown child, and Thomas. Each of these children is another story in itself.

On Nov 5, 1794, Isaac Burleson recorded his purchase of 100 acres of land on Little Bear Creek about 300 yards below the mouth of Running Branch. This is according to Montgomery County land entries, file number 1033, grant book 94, page 80.

The 1800 Census shows ISAAC BURLESON to be a man more than 45 years of age, with his wife between 26 and 45, three male and five female children. A land grant to ISAAC BURLESON in November, 1815, file number 1870, grant book 125, page 386, mentions the property of ISAAC BURLESON deceased as a line mark, so by this time ISAAC had died and his son was receiving the grant.

Hatley Connections

About 1820 William Billy Hatley and his twin brother Simion walked from Chatham County and settled on the waters of Bear Creek. Today, this area is know as Millingport. They settled near their Uncle Hardy Hatley and his family who had made the same trip ten years earlier. The Absalom Harwood family also settled in the same area and there were many inter-marriages between these families. They were also next-door neighbors in Chatham County in 1790.

The twin brother's, Billy and Simion, 100 mile walk was well rewarded because here they found twin sisters Frances and Anna Rogers. The Rogers family was living on Long Creek only a few miles away. These two marriages were followed by several others between the Hatley and Rogers families. After Anna died Simeon married another sister, Susan. Guilford Hatley, a cousin also from Chatham County, married another sister Purity Rogers.

It would appear that the Hatley's had a lock on the daughters of John and Sarah Biles Rogers. Not so, Nancy Rogers married Joseph Burleson, son of Isaac Sr. and raised at least seven children. A neighbor of Joseph and a possible relative, Reddin Almond married her sister Jane Rogers.

Margaret Hatley, wife of William Holmes Burleson was the granddaughter of William (Billy) Hatley and Frances Rogers. Her parents were William Wesley Hatley and Julia Ann Lefler. All of Margaret's siblings left roots in Almond Township. Mary Jane married Howell Harwood Jr., a brother to Sarah, wife of our Grandpa Billie Burleson, and a brother to Absalom Harwood, husband of Dovie Burleson. Fanny married John M. Barbee prominent in Almond Township. Daniel Alexander Graham Hatley married Martha Lowder. Daniel was a Justice of the Peace who performed many marriage ceremonies in Almond Township. Marshall Hatley married Lucy Alabama Sides, daughter of Charlie Sides. Three of Charlie Side's daughters married into the Burleson family. Sara Anne married Absalom Burleson, Catherine married Ebin Burleson and Lillie Belle married Hurley Burleson.

Julia Ann Hatley was left the task of raising all these minor children upon the death of her husband, William Wesley Hatley. William Wesley and his brother John M. enlisted in August 1862 into Co. H 8th NC that was raised in Mount Pleasant, Cabarrus County.

Trying to list the deeds and sacrifices of all three sons of William "Billy" and Frances Rogers Hatley, during the War Between the States would take more space that I have here. To summarize, their youngest son, Alfred, was a member of Co. I 52nd NC and was wounded on the Pickett/Pettigrew charge at Gettysburg, PA. He died of these wounds two weeks later, a prisoner in the United States. The other two brothers joined at the same time at the ages of 32 and 34 years for their Confederate service in Clingman's Brigade so their war records are the same. William Wesley and John M. Hatley fought at Goldsboro in December 1862. They were sent to Charleston, South Carolina in February 1863. They served on James Island and Fort Pemberton.

In May 1863 they were sent back to Old Top Sail Beach, Wilmington, North Carolina, but were ordered back to Charleston in July. The Union Navy and Army launched a major attack on the Forts that protected Charleston Harbor. Their target was Fort Wagner on James Island. This was also where the 8th NC was waiting for them. The Fort was attacked several times, but never taken.

The best description of the defense of Fort Wagner can be seen in the movie GLORY, starring Matthew Broderick. I recommend you watch the entire movie. Co. H, 8th NC is represented in the last battle scene. They are defenders of the fort and fire the last volley in the movie.

Clingman's Brigade was moved to Petersburg in November 1863 and was in several skirmishes. In January 1864 the 8th NC was sent to participate in the battle to retake Plymouth, North Carolina and return to Virginia. In April 1864 they returned to Plymouth for more skirmishes. In Plymouth the 8th NC lost one-third of their members before returning to Petersburg. The next big battle for the 8th NC and the last for William Wesley and John M. Hatley was at Cold Harbor.

On June 1, 1864 our Hatley brothers were captured and sent to Point Lookout Prison in Maryland and then to Elmira Prison Camp in Elmira, New York. Elmira earned the name "Death Camp of the North". One-fourth of the 12,000 Confederate soldiers and Southern civilians that were confined there during the one-year the prison was open died. President Lincoln refused to exchange prisoners as had been done previous to 1864. Lincoln's policy to imprison and starve Confederates would deny the soldiers returning to General Lee. Reduced rations to almost starvation and deadly unsanitary drinking water from a pond created by the flood waters of the Chemung River denied General Lee 12,000 men, but also denied 3,000 Fathers, Sons, and Brothers from ever returning home.

The dead were brought to Woodlawn Cemetery where the town of Elmira provided a separate section. The dead arrived daily. As the citizens of Elmira buried the first Confederate Soldier they showed much respect in the burial procedure. The Citizens could not know of the abuse, starvation and lack of sanitation inside the prison controlled by the United States Army. The next eleven months would produce as many as 495 dead Confederate prisoners per month. The citizens of Elmira could not see over the twelve-foot fence and they were told the prisoners were treated humanely, but any and everyone of the citizens of Elmira New York could see the burials that took place everyday, sometimes as many as 50 per day. In a few months time the Confederate side of Woodlawn exceeded the citizen side of the cemetery. One side took over a hundred years to fill and the other took eleven months and far exceeded the citizen side.

John M. Hatley and his brother William Wesley Hatley arrived at Elmira, New York on July 12, 1864. John M. Hatley died November 22, 1864 of "chronic diarrhea". He was the 938th Confederate prisoner that was respectfully buried and no one in Elmira not least the United States noticed anything wrong.

The 16th of May 1865, a month after the South collapsed, the mules continued to plow and excavate another trench to bury more Confederates including William Wesley Hatley. They respectfully placed his marker with his name, Company and Regiment. William Wesley Hatley was the 2,958th burial.

Honoring the Grave of a Revolutionary War Soldier

May 28, 1995

by P.K. Burlson

In 1988 I was invited to become a member of the Battleground Chapter of the Sons of the American Revolution here in Burlington, N.C. However, there was the requirement that I must prove that I actually was a descendant from a Revolutionary War ancestor; thus began my Burlson family research.

My first endeavor was a trip to Raleigh, NC, --NC Department of Archives-- where I began an exhaustive search through Census Records, Birth Certificates, Marriage Bonds/Certificates, Wills, Deeds, and Land Sale Records.

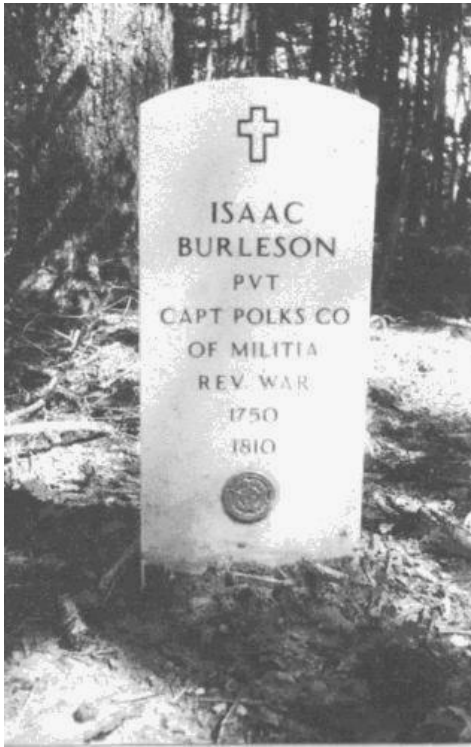

Eventually, I was able to verify four Burlson generations beginning with Jape C. Burlson (b. Oct 26, 1884), Adam Burlson (b. Jan 29, 1847), Lee Burlson (b. 1826), and Isaac Burlson Jr. (b. 1784). During this lengthy process, I did secure the assistance of a Professional Genealogist who was able to provide additional Burlson information working toward completion at this point.

Information on the next generation back was that of Isaac Burlson, Sr. which seemed to be more difficult to establish. Fortunately in the fall of 1991, I was referred to Thurman Burlson who, supposedly, had much information on Burlson families, and who was a active member of the Burlson Family Association, Dallas, Texas; and, further, had attended several of the Annual Meetings.

Thurman and I had several telephone conversations and he confirmed the Burlson information which I had been able to assemble. When I mentioned the fact that I had been unable to find a record of Isaac Burlson being in the military, he immediately gave me information that Isaac Burlson's enlistment was in South Carolina (my search had been in NC only). Records confirmed his enlistment was with the 5th SC Regiment-Revolutionary War-April 16, 1776. Thurman and I had planned to meet in January 1992, however, his death occurred earlier.

In the meantime, my SAR application was approved and I officially became a member of the local SAR Chapter on Dec 5, 1989. Latter this SAR Chapter indicated a desire to honor this Revolutionary War Patriot.

In the spring of 1995, I contacted Thurman Burlson's son, Ronnie Burlson of Richfield, NC who was able to point out the grave site of Isaac Burlson in the Ruben Springer Burial Ground, Stanly County, off of Dusty Road (NC 1226). A publication in the Stanly County Library --Private Cemeteries & Burial Grounds-- confirmed this information and stated, further, he was the first person to be buried at this location.

I then applied for a headstone through the Department of Veteran Affairs, who confirmed Isaac's Military Service in the Revolutionary War after 184 years. This headstone, complete with lettering, was received from the Georgia Marble Company.

A contact was made with the present owner of this particular property, Dale Burriss of Oakboro, NC, who gave permission for this headstone to be installed. At 11:00 AM, May 5, 1995, Ronnie Burleson, my brother Aaron and Gretchen Burleson of Burlington, NC, JD & Karol Burleson, of Thomasville, NC, Thomas N. and Martha Clark, of Burlington, NC, Hoey & Stella Burleson Curlee, and Wilma Burleson Harris of Albemarle, NC, Hazel Burleson and I erected this headstone beside the slate marker, along with the Bronze Patriot Seal.

On May 28, 1995 the SAR Color Guard, dressed in Colonial Uniforms, comprised of Richard J. Moore, E.F. Sharpe, Nat Clark, and myself led the solemn Ceremony. The unveiling of the Marker was by Jerry Burleson and Christopher Burleson --5th & 6th great-grandsons; the laying of the Wreath was by Katie and Daniel Burleson --6th generation grandchildren. (Randleman, NC)

Others participating in the Dedication were Dr. Charles E. Page, former Chaplain General of the National Society SAR, Mrs. Hazel B. Burleson, Regent of the Battle of Alamance Chapter DAR, Raymond Donnell, President of the Alamance Battleground Chapter SAR, and Thomas N. Clark, President of the NC Society SAR.

Refreshments were served to approximately 80 of the Burleson descendants and SAR participants.

Helpful Hints To Follow A Family Outline

This book and each of the previous books contains many “Family Outlines” (See *** Example *** below). These Family Outlines can be confusing and hard to follow at times. The outlines are printed out by my computer using a program called Family Tree Maker. It is a very good program and has been the central storage location for the BFRG research for 7 years. The Family Tree Maker program keeps each person’s name in the right place so we can follow generation after generation. Below is a sample page. It can start with any individual. Each book will be different, but the numbering system is consistent.

Each book starts with the Descendants of the subject of the book and each of their children is listed in small Roman numeral, i.e., i, ii. Each book is divided into chapters, one for each child with descendants. The number to the left of the small Roman numeral is the number for more information on descendants’ of that individual. In the sample below number **iii**, is **Jonathan Burleson** and the number **2** indicates how to find more information on his descendants. So when you go to number **2**, you will find **Jonathan Burleson** and all of his known children listed the same way. Then you would go to number **7** to find more information on Dennis Clay Burleson’s descendants. You can follow this numbering system all the way through the book. If there is no number to the right of a individual, such as **i. Thomas Burleson** that means that Thomas Burleson has no known children and that will be all the information listed for him. According to how large the generation is you may have to go several pages to find the next number.

Several thousand B-24 bombers operated over Europe in 1944 ... this one was named Yo-Yo as its crew hoped it would always come back Former B-24 gunner recalls Missions high above a Nazi-occupied Europe

By JO ANNE B. EFIRD SNAP Staff Writer June 25, 1995

L.B. Teeter remembers well the day he first came face-to-face with his own mortality.

It was July 27, 1944.

On that day, 30 B-24s from the 155th Bomber Group left a base near Cherignola, Italy, their target Budapest, Hungary. Teeter was turret gunner on Yo Yo, one of the craft in the high squadron. It was his first mission. Enroute to target four of the 10 bombers in the squadron turned back with mechanical problems. As they did, the pilot of Yo-Yo maneuvered the plane into the number four position, leaving it with a craft on either wing and two wing of leaders in front of them. As they approached target, the tail gunner announced there was a "dog fight" behind, the plane. Teeter turned his turret to the back of, the craft and noticed the B-24 on their left wing was sliding out of the sky with flames going back by the tail. It had been shot down by German ME 109 and FW 190 fighters.

A 190 came into his view with its belly toward him. He fired. His tracers actually bounced off the armor plating.

"I looked to my left and saw an ME 109 that appeared to be flying formation with us. Actually he was getting into position to fire on us. I put the turret in high speed, got two 50-caliber machine guns into position and started firing. The first tracer went left of the propeller, the next one into the engine compartment. The third one went into the body of the aircraft and the 109 went out of view."

They dropped their bombs on their target and went "home." The crew got credit for two fighters down and three probables on that mission. Only two aircraft of the six that remained after four turned back came home. The group lost 10 bombers in all that day.

For that first mission he was awarded the Distinguished Flying Cross. He was also made very much aware of how close to death he had come. It scared him. He told himself, "There's no way I will ever see the U.S. again. I have to fly 34 more missions like that."

Before he could go back to the states, he must fly 50 sorties, with 35 of them "over the target." Some especially dangerous sorties counted as two.

Throughout those missions he had evidence more than once that he did not always come home due to his own actions. On another mission, in September, the target was Munich, Germany, headquarters of the German Luftwaffe. They were to take out an airfield. The flight plan was to go up around one side, come down and bomb the target on the other. As they were making the circle, their navigator told the pilot the lead navigator was off course and was completely off his map. "We were out of sync," Teeter said, "and on a collision course with another group of planes. "The group leader did a 360degree turn with 28 B-24s to come in to hit it again. That time they came on a collision course with still another group of planes.

They flew in circles that way an hour and a half trying to get to the target. Finally, Teeter, who was engine gunner on this mission, told the pilot, "If we don't turn back now, we won't have enough fuel to get back." As they started back over the Alps to Italy, he transferred fuel from the wing tanks to the engines.

On their final approach to the base, one engine quit - no fuel. As they set down on the runway, the second engine went out - same problem. As they pulled into their assigned parking place the third of the plane's four engines went out.

Turning off the one engine left running, the pilot asked Teeter if he had actually figured that closely. He hadn't.

"It was God's grace, His protection, that kept me," he says. There was the first plane back from the mission. The others had stopped in northern Italy for fuel.

From July to September that year he flew 35 sorties. By December he had his 50 sorties, including his 35 "over the target." His last mission was Dec. 6, 1944. He came back home Dec. 30, 1944 as a tech sergeant.

The B-24 was a four-engine heavy bombardment bomber. They named theirs Yo-Yo because they hoped it would always come back. It lived up to its name.

"You hear a lot about B-25s," Teeter says, "but you don't hear as much about B-24s. I want people to know about the B-24s:"

Teeter says the plane, made by Boeing, carried a normal bomb load of 10,500-pound bombs or six 1,000-pound bombs. He estimates there were from 3,000 to 5,000 of them in Europe during war. At one time, there were, 1,000 based in England and 1,000 based in Italy
 Teeter enlisted in the- US Army Air Corps in February 1943. He was 19 years old.
 He left the states-June- 30, 1944 and came back Dec.30, six months to the day. In that time he flew over Romania, Czechoslovakia, Austria and Hungary, all held by the Germans and the southern part of Germany itself.

For his service in the skies over Europe he was Awarded thr Air Medal with three Oak Leaf Clusters, which is the same as four Air Medals. He was also awarded the European Theater of Operations Medal with four Battle Stars, and the Good Conduct Medal, as well as the aforementioned Distinguished Flying Cross.

The Germans surrendered in May 1945, the Japanese in August.

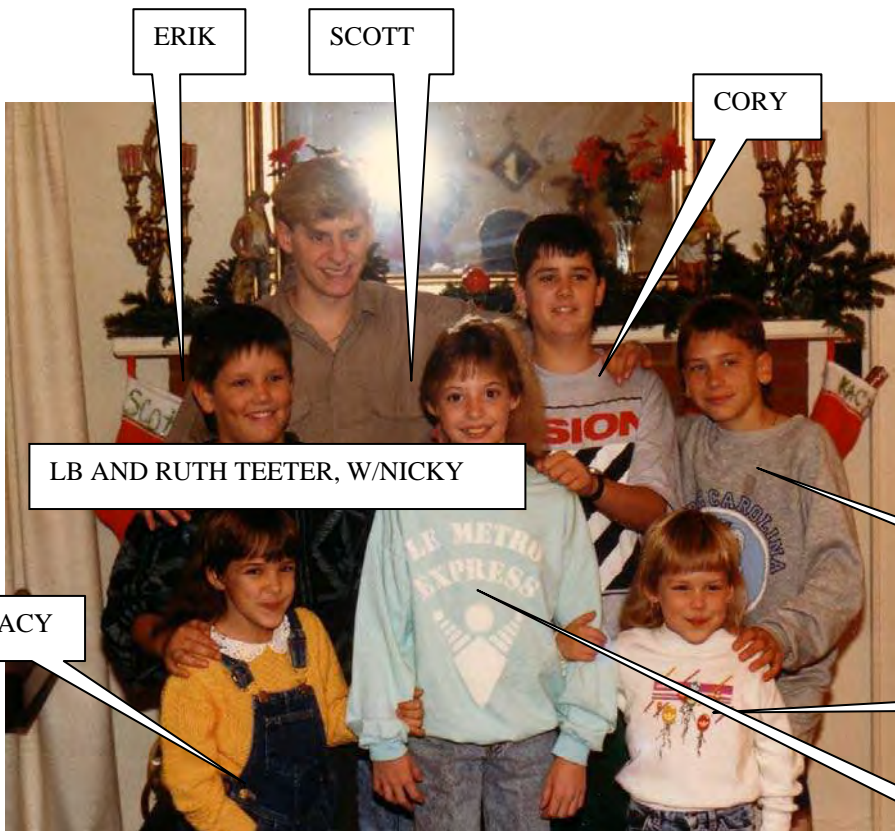

Today, as director of the Singing Americans, Teeter will lead a salute to all who served as he did in World War II.

The concert is at 3 p.m. at the Agri-Civic Center. Afterward there will be a reception for the World War II veterans and their families, sponsored by the Albemarle Downtown Development Corporation. The county and four towns have declared this day World War II Anniversarv Celebration Day.

To some it was history, a long time ago. To some who lived it, it seems like yesterday. "It's still so real," he says of those days over Europe. It was 51 years ago, but it's still real.

“Thank You L.B.”

*There is a message we would like to convey.
So Pleasant Grove is having an L.B. Teeter day.
For 27 years you have been faithful, and true.
Today your church and friends want to thank you.*

*This required much effort on your part.
And you took the church and choir to heart.
And whatever the occasion happened to be.
For appropriate music we depended on L.B.*

*You discovered hidden talents in our midst.
And as parents we are most grateful for this.
Many times there are talents before our eyes.
That some musical directors never recognize.*

*There is another person who we appreciate.
She saw that L.B. was on time and never late.
Surely God has a job for each of us to do.
While we appreciate L.B. we love Ruth too.*

In one of our BFRG meetings Kenneth Efird made a statement about Clyde and Phonie Lee that I thought needed repeating, he said "as far as in-laws go they were great, they treated me as my own family did,, always kind and helpful in raising our family."

Bobbie Nell Burleson

Augustus Graham (Gus) Burleson By Bobbie Nell Burleson Efird, his granddaughter

I remember Grandpa always living with our family when we were growing up. He was always kind and gentle to all seven of us children. My mother and dad worked away from home, so Grandpa was there to help with all the farming and the mules, cows, etc. He had so much patience when we worked in the fields of corn and cotton and did other chores. At lunch he listened to the news on the radio. Every Saturday he polished his shoes to go to church on Sunday. He sat on the same pew every week.

Grandpa received a small old-age pension. When it first began to arrive, he would go to the store to buy Black Miria Tobacco and some bananas to eat. Grandpa never owned anything, but when he died he and his wife, Isabel Whitley, had 11 children, 49 grandchildren and 47 great-grandchildren. We don't know how many more there are now.

A search of the descendants of Gus Burleson showed that he now has in addition to his 11 children, 59 grandchildren, 70 great-grandchildren, 59 great-great-grandchildren and 3 great-great-great-grandchildren and still growing.

Years ago, as a young girl in my teens I remember asking my Dad how he and Mom met? He told me that while working on the railroad near one of the Cotton Mill in Albemarle, he saw Mom going in and out of the mill to work. (She was only 11 or 12 years old) Dad said Mom looked like a China Doll with her shiny black hair and dark eyes. He also said, she probably didn't weight 90 lbs. soaking wet! He told one of his brothers working with him at the time, that he was going to marry that girl one day. And he did, she turned 14 years old on May 9, 1924, and Preacher Ellis Burris married them on August 10, 1924.

I talked with my Grandpa "Gus" Burleson many years ago about why he never remarried? I didn't understand, because he was only 48 years old when she passed away. He said, "I never did see a woman that would ever compare to my Isabelle." At the time, I thought that was the sweetest thing I ever heard. He passed away at 85, and needless to say as far as we know he never even dated another woman.

LOUISE

Children honor Clarks for Golden Anniversary

Wayne and Della Louise Clark of 28782-B Canton Road, Albemarle, celebrated their Golden Wedding Anniversary Feb. 13 at Vine Life Baptist Church. Hosts were their children, Mike Clark of Oakboro and Wendy Shank of Locust.

They were married in Canton Baptist Church parsonage by The Rev. Oscar Bolch. Mrs. Clark is the former Louise Thompson, daughter of Kersey and Della Thompson. Mr. Clark is the son of Roy and Nollie Clark.

Both are natives of Stanly County.

They have two grandchildren.

For their anniversary Mrs. Clark was attired in a gold suit with a corsage of white roses, gold ribbons and baby's breath.

Mr. Clark was presented a white rose boutonniere.

The serving table was accented with flowers and a white, yellow and gold cake. The punch bowl and serving dishes completed the table decor.

The gift table and picture table were covered with lace over gold tablecloths and decorated with white, yellow and gold flowers. The picture table held a picture of the couple 50 years ago, a current picture, and a picture of their

grandchildren. Other pictures of the couple, their children and grandchildren were displayed on an easel.

The four-tiered white cake was circled with small gold ribbon and topped with a 50th anniversary emblem. It was cut and served by Treva Hinson, Glenda Gibson and Cheryl Lynn Morgan.

Assorted nuts, mints and pickles also were served.

Among the 65 guests were friends and relatives from Albemarle, Locust and Oakboro.

A Tribute To Tom Ward, One Of Jim Burleson's True Friends

By Louise Thompson Clark

Tom Ward

His name as we called him was Uncle Tom Ward. To the best of my recollection he lived in the eastern part of North Carolina or South Carolina. People from everywhere sent for him or came to see him when they had a loved one that was seriously sick. Vernie Thompson, Della Burleson Thompson's oldest daughter, was very ill. I don't know what her age was but I know she was young. I went to the nursing home to see her last week because I could not remember what her illness was. I had heard mother discuss how seriously ill she was. I think Vernie said it was Tuberculosis. But whatever it was Vernie was having to take shots and they were very painful. The family sent for Uncle Tom Ward and he came, and prayed for her. They did not know if she was going to make it. But she did and if she lives till November 3rd she will be 85.

When people sent for Uncle Tom Ward it did not matter if they paid or if his crops were ready to gather. The Lord took care of that.

I remember when I was a child hearing Uncle Tom Ward talking to the Lord as his friend. He got down on his hands and knees, I believe, to honor his Lord and the Lord blessed a lot of sick people thru him.

Thank you to Uncle Tom Ward from many.

Written to the best of my memory,

Della Louise Thompson Clark.

Vernie Thompson Morgan's sister.

Dedication to Della Burleson Thompson and Ella Jane Burleson Teeter

By: Louise Thompson Clark

To the death of Della on that morning, I, Louise, was to take my mother, Della, to see Ella Jane Teeter, lying in state at her home and my sister Vernie Morgan was going to take her to the funeral that afternoon. But Vernie needed to change and take her in the morning. We did not want our mother, Della, to go because of what the doctor had told us, but she said she would walk if we did not take her. So Vernie took her and Vernie and LB Teeter said as she stood in front of Ella's casket she said she was coming too, fell back in their arms and she died. The doctor said after she had a cerebral hemorrhage she could live 2 months to 6 months. She lived just over 2 years.

My sister-in-law, Genelle Thompson had found her at the barn and as I, Louise, was riding in the ambulance in front of Max Burleson's house, she told me she wanted to live to see, Wayne, my husband and 2 of her daughters in laws saved. In the last of August we had our revival at Canton. It was such a good revival it went on 2 weeks. On the last night there was a whole family saved and Wayne also. Della's two daughters in laws was saved at her funeral or the Sunday after.
