**1. ISAAC BURLESON<sup>5</sup> SR** (?*JOHN<sup>4</sup> BURLESON, JONATHAN<sup>3</sup>, JOHN<sup>2</sup>, EDWARD<sup>1</sup>*) was born 1750, and died 1810 in SPRINGER CEM OFF OF DUSTY RD, STANLY CO, NC. He married MARTHA CLAY 1781. She died Bet. 1826 - 1830.

Notes for ISAAC BURLESON SR:

Who is Isaac Burleson, Sr. ?

Isaac Burleson was the founder of the line which resulted in most of the Burlesons of Stanly County. We know the following about him. He served his country in the American Revolution as a member of Captain Charles Polk's Company of the North Carolina Militia. Records proving his service are contained in Record Group 93 (# 461) in the National Archives. Most of his service was in the Cross Creek (Fayetteville) area of the state, helping put down uprising Tory, or Loyalist, forces who continued to support King George. In 1785, following the Revolutionary War, the United States awarded ISAAC BURLESON, 100 acres of land along the Yadkin River in Montgomery County, probably as a reward for his services at Cross Creek

It is believed that Isaac was born either in Lunenburg Co., Virginia or Cumberland Co., North Carolina around 1750. ISAAC'S name first appears on a tax list in Montgomery Co. (now Stanly) in 1782. In the 1790 Census, he is shown as a resident of Montgomery County, with a wife, Martha Clay and three children; Isaac Jr. age 10, Jonathan age 8, and Rachel (infant). Tradition says ISAAC'S wife, the former Martha Clay, was related to Henry Clay, the outspoken Kentucky senator.

Isaac and Martha went on to produce five more children; Jane, David, Joseph, an unknown child, and Thomas. Each of these children is another story in itself.

On Nov 5, 1794, Isaac Burleson recorded his purchase of 100 acres of land on Little Bear Creek about 300 yards below the mouth of Running Branch. This is according to Montgomery County land entries, file number 1033, grant book 94, page 80.

The 1800 Census shows ISAAC BURLESON to be a man more than 45 years of age, with his wife between 26 and 45, three male and five female children. A land grant to ISAAC BURLESON in November, 1815, file number 1870, grant book 125, page 386, mentions the property of ISAAC BURLESON deceased as a line mark, so by this time ISAAC had died and his son was receiving the grant.

ATTEND REUNION OF CASTLE FAMILY

Dr. Sara Castle and her nephew, Dr. H.L. Arnold have returned from Eupora, where they attended the reunion held Sunday by the descendants of the late William Castle, their grandfather and great-grandfather, on the 100th anniversary of his coming to Webster County.

William Castle, born in Virginia, moved to North Carolina when a small child and with his wife, Jane Burleson Castle, a cousin of Henry Clay, settled in what was then known as Choctaw County.

One hundred and ten members of the family connection were present Sunday, coming from Texas, Oklahoma, Louisiana and points in Mississippi, messages being sent from absent one. The estimated number of descendants of this pioneer couple is 1,700. Evidence of the primitive mode of living were brought from the attic, with the display of old spinning wheels, reels and looms. Another contrast of the past with the present was the mode of transportation 100 years ago, the ox cart being supplanted by the high powered automobiles in which the participants came to the reunion.

The men and women present represented every profession and walk of life. Among these was a grandson, George Harris, who had just been adjudged one of the best diversified farmers of Montgomery County, and had shared in the \$1,000. award offered by a newspaper for this achievement.

The above article appeared in the Meridian Star, October 1934.

BURLESON FAMILY BULLETIN : Mrs. Maude P. Renfroe RFA 126, Baton Rouge, Louisiana, recetly sent the following newspaper clipping from THE WEBSTER PROGRESS, the newspaper of Eupora, MS, which is dated 21 December 1950, and is a reprint of an 1870 item:

'OBITUARY OF A PIONEER, By S. N. Berryhill. Written in 1870.

"William Casteles died at his residence, near Bellefontaine, Miss., July 21, 1870, aged eighty-two years. Father CASTLES was the son of Thomas and Elizabeth CASTLES and was born in Montgomery County,, North Carolina in 1788. In early manhood he married JANE BURLESON, daughter of ISAAC and MARTHA BURLESON, who survives him. Soon after his marriage, he removed to Lancaster District, S.C. He subsequently returned to North Carolina, and removed thence to Mississippi, settling in the year 1834 in Choctaw Co., on the place where he died. Father CASTLES embraced religion and joined the Methodist Church fifty-nine years ago, and was an official member - sometimes steward, and sometimes class leader - fifty-seven years. Few men outside of the ministry have labored more for the cause of Christ. Though uneducated, he was gifted with a natural eloquence - simple, chaste, and fervent - that peculiarly fitted him for the station to which God called him, that of class learder.

He was an earnest Methodist; he delighted in the prayer-meeting, the class-meeting, and the love-feast. The writer has often heard him relate his religious experience. He was raised up in the Primitive Baptist belief, but was wild and wicked. There were no Methodists in the vicinity where he lived, and the people looked on the itinerant ministers of our church, who occasionally passed that way, with suspicion and contemp.

After he returned to South Carolina, he was led by curiosity to attend the Methodist meetings, where he was brought to a knowledge of his last state by nature and practice. So great was the burden of his guilt before God, that for weeks he found no rest, day or night. One day he met a Methodist friend, to whom he told his troubles, expressing his fear that there was no mercy for him. His friend smiled as he parted from him, and told him that he was near mercy's door. But this seemed only to add to his misery; and as he pursued his way homeward, he looked at the setting sun, whose last rays were lighting the tree tops, and exclaimed, "Farewell, pretty sun, I shall never see you again; before you rise again, I shall be beyond the reach of mercy." Just then it pleased God to speak peace to his soul - to give him the blessed assurance that he was no longer a sinner but a child of God. He returned home full of joy, and told the glad tidings to his wife. He joined the Methodist Church and put on the whole armor of God, to lay it aside only when the "Captain of our Salvation" called him to rest from his labors. His last days were peaceful and happy. He talked of death, and as young and hopeful would talk of removing to a new and better land. Looking back over his long life, full of snares and temptations, through which the grace of God had brought him safe, he exclaimed to his wife, a few days before his death: " I have lived it."

He raised fourteen children, five of whom crossed the stream before him. Two of his sons became able ministers of the gospel. One of these has gone to the land of the blessed.

DOWN FARM RD TO BRANCH.

Notes for WILLIAM (BILLIE) BURLESON:

GrandPa Billie as he was known on Canton Road was quite a character. Almost all the older Burlesons remember him and they all have stories passed down about him. He raised two families. His first wife was Sarah Harwood. They raised seven known children, two girls and five boys. Sarah died sometime October 1855.

William (Billie) Burleson was conscripted on April 10, 1864 into the 34th NC, part of Scale's Brigade. Billie had three sons already in the service: Absolem in the 10th Artillery, Ebin in the 28th NC, and Isaac in the 42nd NC. Howell would follow in June 1864, He was a 51 year old widower with seven children when he was taken prisoner on 6 May 1864 in the opening battles of the Wilderness Campaign. Billie returned home at the end of the war to be united with his four oldest sons, all hardened veterans of the war. He married Rhoda Springer and raised seven more children.

Men of the William "Billie" Burleson Family That Served North Carolina

William "Billie" Burleson was born in 1812 on the Little Bear Creek in the Western part of Montgomery County that is now known as Stanly County. Billie's grandfather, Isaac, was given this land for his service in the fight for American Independence. Isaac received 100 acres for serving as an infantryman for North Carolina.

The leaders of Stanly County anticipated the War Between the States. They raised a company of infantry for State Service two weeks before North Carolina seceded. Billie's two younger brothers, Lee and Nathan, would join the first day and both would die in the war.

Before the war concluded at Appomattox, every Burleson listed as "Head of Household" in the 1860 census from Stanly County and their sons of age served our Confederate States of America.

In February 1862, Billie's third oldest son Isaac, age 20, volunteered in Company C 42nd Infantry. He would serve North Carolina and the Army of Northern Virginia.

In March of 1862 Billie's second oldest son Ebin, age 22 volunteered for Company K of the 28th Infantry.

In August 1862 the oldest son Absalom, volunteered for the Artillery.

The fourth oldest son, Howell, age 16, was conscripted in June 1864 into the 70th Regiment of Junior Reserves.

Billie's two daughters were both married to husbands who served our South. William Hatley enlisted at age 22 years in March 1862 into Company C 42nd Infantry. Daniel Bowers was conscripted into Company F 5th North Carolina. This left only the youngest son William Jr., age 13, at home to protect and provide for the seven families whose heads of household were gone to war.

Notes for SARAH HARWOOD:

----Update of the second paragraph ----

Howell Harwood's wife was Celia Almond the daughter of Martin Almond. Martin was one of the five Almond brothers that settled on Little Bear Creek during the Revolutionary War. Martin lived about three quarters of a mile from Isaac Jr Burlison. There are several marriages between these Almonds and Isaac's family. I am sure Howell and Celia Harwood visited her father, Martin Almond, many times. Sarah Harwood and her brother Absalom Harwood would come with their parents where they met in childhood the neighboring kids Billie and Dovie Burlison who lived up the creek a short distance. In early adulthood Billie married Sarah and Absalom married Dovie. That is how Billie met Sarah, but the story continues. Celia had a brother named John Almond. John, sometimes called John/Jackson, had three daughters, Elizabeth, Lucy, Mary and two sons named Achilles and John Jr. Isaac Jr Burlison had beside Billie, Dovie and Christina, sons Lee, Joseph, Nathan and another daughter Elizabeth. Now Lee Burlison

married Elizabeth Almond, Joseph Burlison married Lucy Almond, Nathan Burlison and Mary Almond had a daughter together but never married. Christina Burlison married Achilles Almond. Elizabeth Burlison married Larkin Almond who was a bastard son of Reddin Almond who was a brother to Celia Almond Harwood. All but one child, Jonathan, married or had a connection to the grand children of Martin Almond. We do not know who Jonathan married but the odds favor the Almond or Harwood families. There is one more connection, Howell Burleson son of Billie and Sarah married Judith Burris the widow of John Almond Jr.----- John H Burleson

Notes for JOSEPH BURLESON:

Joseph Burleyson Private Company K 57th North Carolina  
Jubal Early's Division

Joseph Burleyson was the son of Isaac Jr. and Katherine Castle Burleyson. He was a life-long resident of Stanly County and made his home in the Little Bear Creek area. Joseph and his wife, Lucy Almond, raised three sons that fought for the Confederate Army. The oldest son, William, was a member of Company C 42nd Regiment and died as a prisoner at Elmira, New York. The middle son, John, died from disease while a member of Company H 14th Regiment,

according to the pension records of Stanly County. Dennis was conscripted at age 16 into the 70th Regiment, but survived the war.

Joseph, age 41, was conscripted in March 1864 into Company K 57th Regiment, General Jubal Early's Division, but on August 31 at Winchester, he was shot through the hip and captured. After hospitalization in Baltimore and Yankee prison at Point Lookout, Joseph returned to Stanly County after he was released. He raised a large family.

My records show that Joseph was never paid his eleven dollars a month pay as a private because of his wounding and capture, but he surely paid a high price for the Southern Cause. He lost his brothers, Lee and Nathan, and his two oldest sons, William and John.

Years later, he was active in Stanly County's reunions of Confederate Veterans. He died at age 80 on February 24, 1902, and was buried at Friendship Methodist Church in Plyler, where this soldier rests today.

Notes for WILLIAM BURLESON:

William Burleyson Company C 42nd North Carolina Hoke's Brigade

William was the oldest son of Joseph and Lucy Almond Burleyson that lived on Little Bear Creek of Stanly County. He volunteered his service at the age of 20 to Company C 42nd Infantry.

William was released from a hospital in Petersburg Virginia in September 1862 where he was recovering from a gunshot wound. He returned to the 42nd in Coastal North Carolina until October 1863 when he slipped home to marry Elizabeth Harwood, daughter of Ebin and Mary Harkey Harwood. They only had a short time together before William returned to Service.

The 42nd as part of Hoke's Brigade would see action in Coastal North Carolina until being rushed to fill the Petersburg defenses in May 1864. Hoke's troops occupied the line just as General Grants advance column arrived.

The 42nd, now part of the Army of Northern Virginia, saw their heaviest fighting at Cold Harbor on June 3. From a defensive position the 42nd inflicted devastating losses on the Union Army.

General Grant became physically sick at his losses, but ordered a third attack. The Union Army refused to attack. Grant ordered a flanking movement instead and did not deal with his mutiny.

On one of these assaults William was taken prisoner. From here he was confined at Point Lookout, Maryland until being transferred to Elmira, New York on July 17, 1864. While there he died of "variola" on March 9, 1865 and is buried under the marker No. 1871.

LEE<sup>7</sup> BURLESON (ISAAC JR<sup>6</sup>, ISAAC BURLESON<sup>5</sup> SR, ?JOHN<sup>4</sup> BURLESON, JONATHAN<sup>3</sup>, JOHN<sup>2</sup>, EDWARD<sup>1</sup>)** was born 1826 in MONTGOMERY CO NC (NOW STANLY CO, NC), and died 15 Oct 1864 in Weldon NC. He married ELIZABETH ALMOND 1846 in STANLY CO, NC, daughter of JOHN ALMOND and SARAH BURLESON. She was born 1824 in MONTGOMERY CO NC (NOW STANLY CO, NC), and died 29 Nov 1903 in STANLY CO, NC.

Notes for LEE BURLESON:

Lee Burleyson Company H 14th North Carolina

1826 - 1864

Lee was the son of Isaac Jr. and Katherine Castle Burleyson and joined the first company raised in Stanly County. Lee survived his service in the Army of Northern Virginia for his one-year enlistment in Company H 14th North Carolina. While he was in Virginia he was refused re-enlistment because of being over aged at the age of 35. Lee believed in our Southern cause and later enlisted in a Virginia Artillery unit. This unit would later become part of the 13th North Carolina Light Artillery. Serving with the 13th in Weldon, North Carolina, Lee became ill and died on October 15, 1864 of fever. This warrior served a year in the thickest of battle and was discharged, but wanted to get back in the fight. He was a true warrior who gave his all!

Back home, the oldest son of Lee and Elizabeth Almond Burleyson, Adam, was conscripted into the Junior Reserves. Adam was stationed at Weldon as part of the 1st Junior Reserves during the same time his father, Lee, died in the Weldon hospital. On this day Adam enlisted at the age of 17 into the 28th Lane's Brigade that was in action in Virginia. He would fight until forced to surrender at Appomattox.

Lee and Elizabeth's children grew up and raised families of their own in the Endy Community.

#### LEE'S LETTER

Lee Burleson is well at this time and hoping these few lines will find you enjoying the same health. The war is not as expected. Times is hard. .... We are not far off from the enemy. We heard that they was fighting in fourteen miles of us, fighting at Fort Monroe in Va.. .... I want you to write to me as soon as you get this letter. Write to Nancemon County, Va. That I would like to see you all. .... We come on to Raleigh and stayed one week, from there we come to Garysburg and stayed another week. To William Burleson, Isaac Burleson, David Almond, Absolom Burleson that I don't beseech you to volunteer. We are bound up here as same as Negroes would be under us. .... I have made a heap of money in Raleigh and in Garysburg. .... Our orders are not to drink liquor nor to play cards anymore. It is the orders of our Captain. We are expecting we will have to fight in a few days.

Before you would be drafted I would volunteer. I saw more soldiers in Garysburg than you ever expected we would see. We all agree very well in the camps. .... I am coming back as soon as my twelve months is out, whether discharged by the Governor or by the Captain. We may be through sooner discharged by a bullet. .... Me and my brother is moving together in one squad. We shall stay at Suffolk, Nancemon County, Va. till we are called to go into the field of battle. .... I want you to write to me how you are all doing for I am very much dissatisfied. .... I am in the 4th Regiment. There is about one thousand one hundred men in the Regiment. ....

This day we have fastday and I expect we will have a good many more fastdays but it will be because we can't get it. .... It may be the last time that I will have the opportunity to write

to you and if I never write to you anymore try and meet me in heaven ..... My brother was sick about two days. He took some pills and is well and hearty again. I don't know that I have anything more to write you at present.

Per Midge Grigsby, George Manuel was the son of Henry Manuel, b probably in Mecklenburg Co NC. His brothers were probably Brittain and Henry. The 1840 and 1850 Census shows George and family living in Choctaw Co MS. The 15 Aug 1860 census shows George has moved his family to Cherokee Co TX, to a farm near Rusk, TX. By Aug 1870 they were living in Henderson Co near Athens, TX.

From the book "Grandma Rogers" , published by McMurry College in Abilene, TX, in 1927: " In 1849 George Manuel went to Texas on a scouting trip as far as Austin. Reported Texas was "the greatest country in the world." In October 1851, 6 families left for Texas (Speculative) (1) George Manuel (2) Thomas W. Knight w/Adaline Manuel Knight (3) Lacey Edwards Knight w/Lucy Manuel Knight (4) John 7 Rachel Knight Fielding (5) William & Elizabeth Manuel (6) L. C. Peters.

After an epidemic in 1856/57 there were 3 widows left in Jacksonville TX with a total of 21 orphan children. ""My uncle Tom Knight, died the same spring leaving a wife & 10 children. The two Knight bros and their nephew married sisters, the Manual girls. In less than 6 months of each other these three men died and left 21 orphan children. My mother had 8, Aunt Adalie ten, and Aunt Rity three." Martha Rogers Knight.

Notes for FRANKLIN MANUEL:

HISTORY OF HENDERSON CO TEXAS p.219

"Incidentally, I mention the first time I ever saw Mr. J. P. Gossett. In 1866 he and his brother-in-law, Frank Manuel put on a exhibition a little show in the old school house at Fincastle. They darkened the room and put on the screen a number of Kaleidoscopic views and when the picture appeared they began to sing and it would move in unison to the rythm of the singing. A quilt of many colors appear and when they sang it turned in and out, and showed, it looked to me, a hundred different colors. They sang with zest and to the delight of the audience, the old song:

"The meanest crime that ever was done, Selling whiskey is the very worst one, So get out of the way,

you whiskey seller, You've ruined many a clever fellow, You've robbed that rich man of all his store, And caused him to beg from door to door."

The next time I met these men was some eight or ten years afterwards in Goshen. The song and the show came to me like a flash of lightning, and ever afterwards to me, they were always associated together. They were both good singers and loved music. If I had to guess, I would say that uncle Frank Manuel died, repeating the lines of the old song, "Watchman Tell Us of the Night". That was his favorite. Nearly all of these old veterans have passed on and we are following rapidly in their wake. They blessed the world and made it better."

He was a great hunter. Once when a flock of geese came over, he threw down his cotton hoe and followed them. Some say it was 2 years before the family saw him again. He would take hunting trips to the Rocky Mtns and stay 6 months at a time. It was claimed that he lived on "gater" tails, bear, duck eggs, and rattlesnakes.

30 Oct 1914 - UNCLE FRANK and the SACRED HARP

At the meeting of the Sacred Harp Association of Texas at Dallas last week, Uncle Frank Manuel of Jacksonville, was a prominent figure. The Dallas News, in giving an account of the proceedings, said: "The feature of the meeting yesterday was the leading of Frank Manuel of Jacksonville, aged 84; Manuel has a clear tenor voice, which is strong and still musical. He says he can sing as well as he ever could, only he cannot hold out so long as he could in years gone by." Two other members of the association, both above the age of 80 who sang with Mr. Manuel at the Fair three years ago, died last year.

28 January 1916 p.181

Uncle Frank Manuel, who is making his home temporarily at Hallsville, Texas, was here visiting relatives this week and ordered the Banner sent to his address for the coming year. He will be 86 years of age next month, but still takes an active interest in the affairs of his old home, and wants to read of the local happenings each week. Especially does he enjoy the items of "Twenty Years Age." and says that he could easily go back forty or even fifty years and relate interesting evens of that early period.

4 Apr 1919 p.334

Uncle Frank Manuel, who is in his ninetieth year, had the misfortune last Friday to fall and break one of his hips. He has been making his home for some time with Mr. and Mrs. A. J. Pickens, and yesterday afternoon took a horse out to let him graze, and while thus engaged happened to a fall with the above result. Uncle Frank has a large circle of friends who sympathize with him in his misfortune.

5 Mar 1920 p.371

Uncle Frank Manuel, on last Friday at the home of his niece, Mrs. Andy Pickens, celebrated his ninetieth birthday." a descriptive narrative follows of the party. "Those who wished Uncle Frank many happy returns of the day were: Mr. & Mrs. R. Pickens, Mrs. N. Park, Mrs. Mary Lane, Mrs. Mary Boles and Mr. and Mrs. Andy Pickens." The article states that the guests were limited to those that were 65 or older.

"Frank Manuel was quite a character. He was born in 1830 but I have never found the actual date. Even his gravestone in Texas State Cemetery, Austin, shows only the year. He was born in Choctaw County MS and was the 5th child in a family of 14 children. His parents were George Manuel and Nellie Catherin Castle Manuel. They originally came from NC, then relocated to MS. In 1850 the whole family, Frank included, packed up Oxen driven wagons and made the 6 week trip to Jacksonville, TX where they purchased land. Franks 3 older sisters were already married and had children. The other children were still living with George and Nellie. Frank never married but lived in the Cherokee Co area most of his life. He enlisted May 12, 1862 and fought in the Civil War in Co K, 18th Texas Infantry at the hospital in Camp Nelson, Ark, then returned to Jacksonville area. He died in 1920 in an "Veterans Old Folks Home", but only stayed there a short time before his death. He is found mentioned in many newspaper articles and books written during that time period in East Texas. Hope this helps your search. How are you related to Frank? My great grandmother Lucy Manuel was his sister. I would love to find out if we are related." Related by Sheri Johnson, 16 March 2005. Posted at www.Genforum.com.

"Thanks for this information. I'm not related to Mr. Manuel, as far as I know. I am researching the history of Sacred Harp singing in East Texas, and his is a prominent name that crops up. But, most importantly, his membership in the East Texas Musical Confirmation is an independent confirmation of its date of origin. We have a letter from a member written in 1880 that states it was organized in 1855. In 1915, John W. Miller of Athens wrote about Frank Manuel in the Athens Review, stating he had been a member of the East Texas Musical Convention for 60 years (which would be since 1855). Is there any family tradition or passed down memories about Mr. Manuel's activities as a Sacred Harp singer? At the time Mr. Miller wrote this, I believe he says that Frank Manuel was living with his sister near Jacksonville. I believe there is also mention of his relation to a judge in Henderson County (a Gossett maybe)." Thanks.Robert Vaughn 16 March 2005

"Frank Mnauel was known for his love of singing. It was said that he would burst into song at the most surprising times. He was raised in a very active Methodist family. In fact his sister Lucy's daughter, Martha A. Knight Rogers was known as the "Mother of the Methodist Church of West Texas". There is a book written about her life entitled "The Saga of my Life by Grandma Rogers". You might want to resource it. You are also correct in saying that his other sister, Sarah, married James P. Gossitt, a well known judge of the times. They lived in Henderson C., TX." Sheri Johnson

ATTEND REUNION OF CASTLE FAMILY

Dr. Sara Castle and her nephew, Dr. H.L. Arnold have returned from Eupora, where they attended the reunion held Sunday by the descendants of the late William Castle, their grandfather and great-grandfather, on the 100th anniversary of his coming to Webster County.

William Castle, born in Virginia, moved to North Carolina when a small child and with his wife, Jane Burleson Castle, a cousin of Henry Clay, settled in what was then known as Choctaw County. One hundred and ten members of the family connection were present Sunday, coming from Texas, Oklahoma, Louisiana and points in Mississippi, messages being sent from absent one. The estimated number of descendants of this pioneer couple is 1,700. Evidence of the primitive mode of living

were brought from the attic, with the display of old spinning wheels, reels and looms. Another contrast of the past with the present was the mode of transportation 100 years ago, the ox cart being supplanted by the high powered automobiles in which the participants came to the reunion. The men and women present represented every profession and walk of life. Among these was a grandson, George Harris, who had just been adjudged one of the best diversified farmers of Montgomery County, and had shared in the \$1,000. award .offered by a newspaper for this achievement.

The above article appeared in the Meridian Star, October 1934.

Notes for JOSEPH BURLESON:

Joseph Burleyson Private Company K 57th North Carolina

Jubal Early's Division

Joseph Burleyson was the son of Isaac Jr. and Katherine Castle Burleyson. He was a life-long resident of Stanly County and made his home in the Little Bear Creek area. Joseph and his wife, Lucy Almond, raised three sons that fought for the Confederate Army. The oldest son, William, was a member of Company C 42nd Regiment and died as a prisoner at Elmira, New York. The middle son, John, died from disease while a member of Company H 14th Regiment, according to the pension records of Stanly County. Dennis was conscripted at age 16 into the 70th Regiment, but survived the war.

Joseph, age 41, was conscripted in March 1864 into Company K 57th Regiment, General Jubal Early's Division, but on August 31 at Winchester, he was shot through the hip and captured. After hospitalization in Baltimore and Yankee prison at Point Lookout, Joseph returned to Stanly County after he was released. He raised a large family.

My records show that Joseph was never paid his eleven dollars a month pay as a private because of his wounding and capture, but he surely paid a high price for the Southern Cause. He lost his brothers, Lee and Nathan, and his two oldest sons, William and John.

Years later, he was active in Stanly County's reunions of Confederate Veterans. He died at age 80 on February 24, 1902, and was buried at Friendship Methodist Church in Plyler, where this soldier rests today.

Notes for LEE BURLESON:

Lee Burleyson Company H 14th North Carolina  
1826 - 1864

Lee was the son of Isaac Jr. and Katherine Castle Burleyson and joined the first company raised in Stanly County. Lee survived his service in the Army of Northern Virginia for his one-year enlistment in Company H 14th North Carolina. While he was in Virginia he was refused re-enlistment because of being over aged at the age of 35. Lee believed in our Southern cause and later enlisted in a Virginia Artillery unit. This unit would later become part of the 13th North Carolina Light Artillery. Serving with the 13th in Weldon, North Carolina, Lee became ill and died on October 15, 1864 of fever. This warrior served a year in the thickest of battle and was discharged, but wanted to get back in the fight. He was a true warrior who gave his all!

Back home, the oldest son of Lee and Elizabeth Almond Burleyson, Adam, was conscripted into the Junior Reserves. Adam was stationed at Weldon as part of the 1st Junior Reserves during the same time his father, Lee, died in the Weldon hospital. On this day Adam enlisted at the age of 17 into the 28th Lane's Brigade that was in action in Virginia. He would fight until forced to surrender at Appomattox.

Lee and Elizabeth's children grew up and raised families of their own in the Endy Community.

## LEE'S LETTER

Lee Burleson is well at this time and hoping these few lines will find you enjoying the same health. The war is not as expected. Times is hard. .... We are not far off from the enemy. We heard that they was fighting in fourteen miles of us, fighting at Fort Monroe in Va.. .... I want you to write to me as soon as you get this letter. Write to Nancemon County, Va. That I would like to see you all. .... We come on to Raleigh and stayed one week, from there we come to Garysburg and stayed another week. To William Burleson, Isaac Burleson, David Almond, Absolom Burleson that I don't beseech you to volunteer. We are bound up here as same as Negroes would be under us. .... I have made a heap of money in Raleigh and in Garysburg. .... Our orders are not to drink liquor nor to play cards anymore. It is the orders of our Captain. We are expecting we will have to fight in a few days.

Before you would be drafted I would volunteer. I saw more soldiers in Garysburg than you ever expected we would see. We all agree very well in the camps. .... I am coming back as soon as my twelve months is out, whether discharged by the Governor or by the Captain. We may be through sooner discharged by a bullet. .... Me and my brother is moving together in one squad. We shall stay at Suffolk, Nancemon County, Va. till we are called to go into the field of battle. .... I want you to write to me how you are all doing for I am very much dissatisfied. .... I am in the 4th Regiment. There is about one thousand one hundred men in the Regiment. ....

This day we have fastday and I expect we will have a good many more fastdays but it will be because we can't get it. .... It may be the last time that I will have the opportunity to write to you and if I never write to you anymore try and meet me in heaven. .... My brother was sick about two days. He took some pills and is well and hearty again. I don't know that I have anything more to write you at present.

Notes for ABSALOM BURLESON:

Absalom Burleyson  
Company B 10th North Carolina Heavy Artillery

Absalom was the son of William "Billie" and Sarah Harwood Burleyson of Little Bear Creek in Stanly County. Both Billie's and Sarah's Grandfathers fought in the American Revolution. Absalom volunteered for the Artillery on August 9, 1862. His service was in coastal defense of North Carolina until November 1864 when they were sent to Georgia to oppose Sherman's March to the Sea. The 10th was at camp in Bush Hill, Randolph County on April 29, 1865 almost three weeks after General Lee's surrender.

My in-depth study of Absalom's record reveals the stress of the times. The ever-present fear of being killed in any action was always there. For all soldiers death from disease was more prevalent, the individual had very little control. Peer pressure alone made every soldier meet

these challenges. Families back home were the most important thoughts for all the North Carolina soldiers. Absalom was one of these.

Absalom enlisted at the time wife Sarah Anne Sides Harwood was six-months pregnant with daughter Minnie who was born on February 20, 1863. In June he came home on a 10-day furlough, but stayed several months. Upon returning to the Army he was placed under arrest where he faced a chance of the firing squad, but was returned to service October 1, 1863. His second daughter, Jane Alice, was born June 7, 1864.

Absalom's biggest battle against Sherman was at Averasboro, an artillery dual, and the battle at Bentonville that sealed the fate of the Confederate States. He returned home to see a daughter he had seen only one time and a new daughter age ten months he had never seen before.

The war's end brought home many veterans like Absalom. The real heroes are the wives and family. I am proud to be a great grandson of Absalom and Sarah Anne. By John Hoyle Burleyson

Notes for SARAH ANN SIDES:

Sarah Ann Sides was the only child of Charlie and Betsy Almond Sides. After Sarah's birth, I can find no record of Betsy. Infact, I can find no record of her before this. She fits into no other Almond line I can find. My only knowledge of Betsy comes from my Grandfather, John F. Burleson, when he records Charlie Sides and Betsy Almond as parents of Sarah Ann, his mother on her death certificate.

Did Betsy die in child birth? This is very possible. We do know that Charlie married Sophis Lyerly on November 17, 1844, the daughter of Jacob and Mary Moose Lyerly. From this union came 10 more children.

Mary Catherine  
Wesley Alexander  
William Columbus  
Daniel Luther  
Julius E.  
Frances R.  
Martha Ellen  
Lucy Alabama  
Attie Sophia  
Lillie Belle

As you can see the Sides family was always in Sarah's mind and heart. The Sides family was also in the mind and heart of the Burleson family. From the 11 Sides children two Burleson brothers, Absalom and Eben, would marry sisters Sarah and Mary. Nephew Hurley would marry Lillie.

Sarah would also name her children after her brother and sisters, Frances, Attie and William Columbus (this was passed on to a son Guy and Mildred Burleson).

Our Harwood connection must be documented also. Absalom Harwood who after his service in the American Revolution settled on Bear Creek and became the first Harwood to establish a link to the Burlesons in Stanly County. His son Howell married Celia and they had 13 children. The oldest Sarah, married William Billie Burleson, and son, Absalom, would marry Billie's sister Dovey.

These two couples (Burleson and Harwood) honored their spouse's family by naming their children after them. We find Absalom, Eben, Howell Burleson and Isaac, William, Davidson Harwood.

The third connection, Davidson, who was the youngest child of Howell and Celia Harwood. We find Davidson a Deputy Sheriff of Stanly County in 1860 with his wife Sara Anne and child Frances. In 1861 a son, David B., was born. We do not know what happened to Davidson, but we know that Absalom Burleson and Sara Anne Sides Harwood took up housekeeping and had 10 children.

Notes for EBIN BURLESON:

This is a article that was published in the Parapet, a newsletter put out by the Point Lookout POW Org. Nov/Dec 1999.

Ebin Burleson lived in Stanly County, NC. He had fair complexion, red hair, blue eyes and was five and a half feet tall. At age 24, he fought in all of Lee's campaigns beginning on March 15, 1862. Ebin even witnessed his company's regimental flag being taken at the wall by the 126th NY Inf. It was during that battle that cousin J. Benjamin Burleson, 37th NC Infantry, left on the field, wounded for the third time (once in the hand at Fredericksburg), was captured and sent to Point Lookout POW camp. Uncle Joseph Burleson was captured at Harrisonburg, VA (after being shot in the right thigh 6 days prior at Winchester); cousin David Derric Burleson, 5th NC

Inf, was captured at Cedar Creek; cousin John Wesley Burleson, 28th NC Inf, was captured at Waterloo, cousin William Burleson, 42nd NC Inf, was captured at Cold Harbor...all sent to Point Lookout! William died after a transfer to Elmira Prison. On April 2, 1865 Ebin was captured at Petersburg. He too, was sent to Point Lookout POW Camp until his release on June 23, 1865.

Ebin and his relatives were true Southerners. His father, known as Grandpa Billie was conscripted because of the shortage of men in 1864 at the age of 52! He also had four brothers, Absolom, Isaac, and Howell to serve the CSA. Several of the teenage Burleson cousins were registered with Junior Reserves!

In 1893, Ebin married nineteen year old Dora Hopkins and they had eight children. The last baby girl was born on April 4, 1914 and they named her Dallie Mae. Dallie Mae Burleson Moore is our latest PLPOW Real Daughter!

Ebin farmed all his life and lived to be 89 years old. He is buried in a private family cemetery in Stanly Co NC.

Last month, the Burlesons hosted a family reunion, with over one hundred in attendance. A program was presented, highlighting their family members who had served in The War Between The States. At this time, John D. Burleson, Ebin's great grandson, adorned with his PLPOW medal with four stars, presented 85 year old Dallie Mae with her PLPOW Real Daughter certificate! Dallie Mae will receive a free lifetime membership in our Descendants Organization.

The Burleson Family have discovered that their ancestors have been true patriots for over 200 years, starting with American Revolution in the NC militia during our first war for Independence, all the way down to present day. Last year, they honored all 65 of their Burlesons who had been WWII veterans.

There's nothing like family pride and preserving your family's heritage for the present generation and for those who'll follow in your footsteps when you're gone. We need to do as this family has done....tell and show our children!

Ebin Burleson Private Company K, 28th North Carolina Troops  
Branch/Lane Brigade

Ebin Burleson was born January 11, 1839, the son of William (Grand-paw Billie) and Sarah Harwood Burleson. He was a farmer and a life long resident of Stanly County and made his home on Burleson Road. According to his military records, he had fair complexion, red hair, blue eyes and was five and a half feet tall. At age 24, he enlisted for the war on March 15, 1862 and fought in all of Lee's campaigns. Ebin was a member of Company K, 28th NC Regiment which was part of the Branch/Lane Brigade. He witnessed his companies' regimental flag being taken at he wall by the 126th NY Inf. It was during that battle that cousin J. Benjamin Burleson, 37th NC Infantry, left on the field, wounded for the third time (once in the hand at Fredericksburg), was captured and sent to Point Lookout POW camp.

On April 2, 1865 Ebin was captured at Petersburg. He too, was sent to Point Lookout POW Camp until his release on June 23, 1865. Family tradition says Ebin was starved half to death and was almost blind when he arrived home. It took several years for him to recover.

Ebin was active in Stanly County's reunions of Confederate Veterans. He died at the age of 89 on January 27, 1927, and was buried at Burleson Cemetery #2 on Parker Road in Stanly County, NC, where he rests today with his wife Dora Hopkins Burleson.

### Ebin's Story

The men that lived to return home at the end of the war would have many tales to tell their families. I am going to take the time to tell you just one of those stories...It came from Ebin Burleson.

The Northern Virginia winters can be harsh for all. Southern soldiers used to warmer climate would protect themselves the best they could. Ebin Burleson and a couple of other privates looked for shelter anywhere they could find it. The only place they were allowed to entrench was on the side of a hill next to some large rocks. The privates stacked their arms and began to dig. The digging stopped when the ground opened up and Ebin and his fellow Confederates fell into a boar's nest filled with several frightened, and now very mad, Wild Boars. Ebin had faced death many times in battle but his situation now was entirely different. In battle Ebin's company was always outnumbered. Stonewall Jackson taught them how to deal with this, simply make every shot count and reload quickly. But, Stonewall had never fallen into a boar's nest like these poor, tired, hungry Confederate privates.....The Wild Boars did not have a chance. Ebin and his buddies were now looking for someone that had raided a henhouse. Ham and eggs would be the menu for breakfast the next day! By John Hoyle Burleson

Notes for ISAAC BURLESON:

Isaac Burleyson

Company C 42nd North Carolina Hoke's Brigade

1842 - 1910

Isaac was the third son of William "Billie" and Sarah Harwood Burleyson of Little Bear Creek in Stanly County. He enlisted into the Confederate Army on February 1, 1862. His service started as a prison guard at Salisbury and ended at Bennett's Place in May 1865. This included service with the Army of Northern Virginia.

The 42nd saw action in the Eastern part of North Carolina in 1862 and 1863. In 1864 the 42nd, Hoke's Brigade, was sent to defend Richmond. General Grant suffered greatly in his attack at Cold Harbor against Hoke's Brigade.

The 42nd was positioned in the center and all other regiments were aligned to the left and right of the 42nd at Bentonville. This was the very last battle to stop Sherman's much larger army.

Isaac gave his service in full measure from February 1862 until the final Confederate surrender and the disbanding of the 42nd on May 2, 1865 at Center Church in Randolph County.

Isaac returned to Stanly County after the war to marry Mary Hearne and there they raised their family and helped to rebuild their community. Today they lay in rest in the family graveyard on Burleson Road.

Notes for HOWELL BURLESON:

Howell Burleyson

Company G 70th North Carolina Junior Reserves

And 20th North Carolina

Howell was the fourth son of William "Billie" and Sarah Harwood Burleyson of Little Bear Creek. On June 10, 1864 he was conscripted in the Junior Reserves to serve in North Carolina's defense. He was described as 5 foot 9 inches in height with blue eyes and fair complexion.

This 17-year-old fought in battles in Eastern North Carolina but in 1864 the war was not going well for the South and Howell was transferred to Virginia on December 20. He served in the 20th Regiment, Iverson's Brigade. The 20th was part of General Lee's Army of Northern Virginia. They served the Petersburg line until April 2, 1865 when the Union troops crushed the defenses and Richmond fell.

Howell returned home at age 18, a true veteran and ready to restart his life in Stanly County. In 1870 he was married to Judith Burris Almond, a widow of the War. They raised a large respected family and Howell and Judith were well known in the Canton Church area for their kindness and help to all of their neighbors. John Hoyle Burleson

"In 1851, the families of Thomas and Adeline Manuel Knight, Lacy Edward and Lucy Manuel Knight, George and Nelly Manuel, and three others set out of Texas. They traveled in wagons pulled by oxen and it took a week to go 150 miles to Vicksburg. At Vicksburg they arranged passage on a steamboat to cross the Mississippi. About a month later they arrived in Jacksonville, Texas and were persuaded to stay there because of the freezing weather and hostile Indians. Thomas and Edward settled near Rusk, Texas. During the Spring and Winter of 1856-57 there were epidemics of typhoid and measles. Edward died in December 1856 and Thomas died in April 1857. Their nephew, John Fielding, who had married Rita Manuel, died in 1857. Together they left three widowed sisters and 21 children." In 1851 the families of Thomas and Adalie Manuel Knight, Edward and Lucy Manuel Knight, George and Nelly Manuel, and three others set out for Texas. They traveled in wagons pulled by oxen and it took a week to go 150 miles to Vicksburg. At Vicksburg they arranged passage on a steamboat to cross the Mississippi. About a month later they arrived in Jacksonville, Texas and were persuaded to stay there because of the freezing weather and hostile indians. Thomas and Edward settled near Rusk, Texas. During the Spring and Winter of 1856-57 there were epidemics of typhoid and measles. Edward died in December 1856 and Thomas died in April 1857. Their nephew John Fielding who had married Rita Manuel died in 1957. Together they left three widowed sisters and 21 children. (DATA FROM: The Saga of Grandma Rogers, daughter of Edward Knight and niece of Thomas W. Knight.)

KNIGHT, Edward

E2 286-297 29 February 1860 - Surviving widow Lucy Knight, appraisers Jackson Smith, Fuller Grisham, and John F. Patton. Knight died Dec 1856. They owned 160 acres in James Ford survey. Six minors mentioned, not named. (The rest of this is hard to explain.) She mistakenly sold the land to Peters for \$800 but he gave it back to her and her 3 step children: Caledonia Fielding, John C. Fielding, and Mary C. Fielding. They were children of John Fielding and of Peter's wife, late widow of Fielding. Three children were her sister's children and not permitted to live with her.

Comment: John Fielding married RETTA JANE MANUEL Jan 1851. Then she married LANDON C. PETERS 19 July 1857 and the 3 Fielding children were with her, their mother, on the 1860 census. She was head of household and had 2 Peters children - but no husband.

"I have 9 probable children for William and Susanna which I got from census records. The 1900 census said she had had 7, I believe, but the census record appears to have errors. Sallie's mother Martha and George's mother Susanna were in the house with them on the 1900 census in Madison Co. Martha and Susanna's data seems to confused with each others."

If my William's middle name was Robert, that makes the following note in my files more interesting "Rober MANUELL came on the ship Charles Nov 1621." Source: Ship Passenger Lists, The South 1538-1825. Brookhaven MS Public Library."

"There are several errors on the death certificate for George W. Mnuel and I suspect Susanna's maiden name was Winters instead of Watson. The reason I think that is because when William and Susanna were on the Polk Co census near Livingston, a Joseph WINTERS was next door and looked like a brother to Susanna to me. I know that my great aunt who gave the info was not very reliable about such things. George and his mother Susanna are buried at a very small but well kept cemetery near Plainview in Greer Co OK near where my father Elmer Griffin lived as a child. Susanna has a tombstone which reads Susanna E. Manuel 1826-1905. The grave for George has a concrete marker which reads "Father Manuel."

Birth date for Rachel given as 1 Mar 1836 by Midge Grigsby.

In 1860 (17 Aug) Rachel & Robert Pickens were living next door to Robert's parents, Reese and Elizabeth Pickens, located in Beat #8 with Rusk being the nearest Post Office.

The 1870 census (24 Aug) shows Rachel living near Jacksonville (Beat #3) with Texana. Mary and Martha are not listed, but Robert's younger brother, Andrew J. Pickens (a farmer) is shown living in the household. On 10 Feb 1873, Andrew married Sarah H. Merritt.

The 1880 (19 June) Census of Cherokee Co shows Rachel (a widow) living with her daughter,

Texana, age 19, a niece, Tomie Manuel, age 7, and a boarder-farmer, Willie Phillips, age 21. On 21 Dec 1880, Texana married John Wesley Love (b Feb 858). On 1 June 1900, Rachel was living with them on a farm which John owned near Jacksonville.

Notes for JOSEPH SAMUEL BURLESON:

MY GRANDFATHER

JOSEPH SAMUEL BURLEYSON

By Rosemary B Adams July 27, 2005

J.D. Burleson, a cousin has asked me to write about my grandfather. Thanks J.D., you have actually encouraged me to do something I have wanted to do for a long time but somehow kept postponing.

My grandfather on my paternal side was Joseph Samuel Burleyson. Although my grandfather died in 1954 for me he is very much alive in my memories because of his Godly lifestyle. Many people called my grandfather Joe Sam, but our family called him, very lovingly, Papa.

Papa was born in Stanly County on March 7, 1869. His father's name was David Derrick Burleyson, and his mother's name was Nancy Mann.

Papa's father farmed and was in the Civil War. David was conscripted and at the end of the war he was in prison at Point Lookout, Maryland. He had to take the oath of allegiance before he could return home. The war had tremendous impact on the Family. I don't ever remember Papa talking about the war but I know it was probably the topic of conversation with his generation, and created great hardship for his father. One relative told me that when my great grandfather (David Derrick Burleyson) came back from the war he wasn't the same man. His hand and arm had been injured or burned and we are not sure how much he was able to do after the war but all his Children were educated and went on to live productive lives.

Papa had a good sense of humor and enjoyed life. He would try to shock people by saying, "Did you know my mother was a man?" Then he would wait for a reaction. He was always delighted to say his mother was a Mann. Papa also enjoyed music. As a child I remember someone would come and play the autoharp for him. His foot would tap as he listened to the music and the smile on his face and the twinkle in his eyes was a trademark of Papa. Mary Jane his wife who had passed away years before and several of her sisters played the autoharp and

would sing at different churches in the area. I believe the music helped him remember a happier time when he was a young man surrounded by his wife and children.

Papa married Rosa Lee Hatley and they had a son named Burley Claude Burleyson, unfortunately she died leaving her husband and young son. However, in 1904 Papa married again this time to Mary Jane Rowland and Mary Jane accepted four year old Claude as her son and showered him with the same affection that she did her biological children. Papa and Mary Jane had seven children together. The first Child was Blanche Estelle who lived less than a year. All the other children lived to become adults. The next child was Eva Ardelia, followed by Ora Gerome, Lillie Leona, Louis Franklin, and my father Hurley Raymond.

Aunt Eva, Papa's oldest daughter loved to talk to me about the past and the family she grew up with. I have no doubt the home was happy and filled with love. My Dad was the baby and stayed with his mother and father when the family was told that Mary Jane had cancer. My Dad would speak about those times often and with great sadness. Dad would tell me that I looked like his mother and that when she died she still had black hair, no gray. One of my aunts said that Papa loved all his grandchildren but I reminded him of Mary Jane and that made him especially happy.

Papa was educated and knew some Latin and Greek but I do not know where he received his education. He taught at Yadkin Mineral Springs Academy which later became Palmerville Academy. The family considered an education a top priority and I have since found that true of all the Burleyson family. Papa also farmed on the land that he had inherited, the combination of teaching and farming provided the income to raise his family.

When Papa was older he would stay with his children. Each family benefited by having him stay for awhile so that his grandchildren got to know him. He stayed mostly with Aunt Eva his oldest daughter. Her husband was a wonderful man who told Papa that as long as he lived he would always have a place for him. I always loved for Papa to stay with us but many times I was in the hospital and had limited contact with him.

My memories of Papa I will admit from the start are biased. I loved him so much that I named my own son Joseph in honor of him. Papa was as close to perfection as a human is able to be. My fondest memories are those that have stayed with me and comforted me just as he was able to offer me comfort as a child. At eighteen months I was diagnosed with polio. Papa was my refuge and when he held me in his arms and rocked me in a big maple rocking chair with cushions my world seemed save and secure. He would hold me close with my head resting on his chest. The ear against his chest could hear his breathing and the other ear his soft, rhythmic voice that could sooth my fears and pain. It was not until years later that someone told me he was always quoting scripture to me.

Aunt Eva would often ask me "Did you know Papa prayed for you before you were ever born". He prayed for all his children and grandchildren. I did not know. All I knew was this man loved me very much and comforted me in my pain. I believe he was not only quoting scripture when he held me I believe he was praying as well.

When I was older and able to walk with a brace Papa would take me out. He seemed so tall and his blue eyes and snow white hair seemed like a peak on a mountain when I would look up. I remember my little arm had to stretch to hold his hand. He would take me to a little café in Badin. He would reach down and lift me up and put me on a bar stool and then take the seat next to me. I remember looking down and feeling a little fearful when I saw how far off the floor the bar stool stood. Then when I would look at Papa the trust was complete and I knew he would not let me fall. He would buy me a Coca-Cola in a bottle and an oatmeal cookie. To me that was a

big treat. He would talk to the other people and I would sit patiently just happy to be beside my Papa. After a visit with the other people Papa would take me down off the bar stool and we would walk back home.

If you didn't know Papa he might seem to be someone you would not easily approach. He always carried himself so erect and dressed in an authoritative manner. I remember he always wore a stiff white shirt and black or navy pants with a gold watch chain dangling at his waist. His outward appearance might seem austere but inside was a heart so filled with love you wondered how he could contain it. I believe Papa loved everybody, in fact he told my cousins that if he had an enemy he never knew it.

Papa worked even when he was elderly. He would go to Charlotte any way he could even if it meant hitchhiking to get Bibles to sell. He also sold little prayer books and I have a little book of blessings from him. One of my cousins recently told me something about Papa that I did not know. He went to the Quarters in Badin an area where only the blacks lived. Papa went when most people would not associate with blacks. He was a friend and he wanted to tell them about Jesus and how much Jesus loved them. Papa knew the families and their children. He would visit in their homes and have meals with them. He spent a lot of time there and the friendly waves and smiles let me know they cared about Papa just as much as he cared for them.

Papa would spend time in our garage where he kept mementoes from the past. He had several large trunks that he would spend hours going through. Some times people would stop by and ask Papa about a passage in the Bible. They would know part of the verse but have no idea where to find it. Papa always knew where to find the passage and was always happy to help; he never turned down an opportunity to discuss the Bible. I still have one of his Bibles and inside the front cover in my little childish penmanship I had written that every time I read his Bible I would remember him and I do.

Papa was fully human even if in my mind he sometimes seems bigger than life. I don't ever remember a harsh word from him. In fact, I remember one time when I got into his cereal, eating a bowl or two and putting the box away. Later Papa came and sat down by my side and said "the cereal I eat is for old people and you need to eat your cereal." He did not scold me but gently reminded me I did not need a high fiber cereal.

I wish I knew if what I am writing about my grandfather would be pleasing to him. I think he would want me to see him not as so wonderful or significant but as the man who pointed me and others to the one he saw as wonderful and significant... Jesus Christ. One of Papas favorite Bible verses was "every good and perfect gift comes from God above" James 1:17. Yes, every good and perfect gift comes from God above and I am especially thankful for the gift of a humble and Godly grandfather.

Notes for GLADYS RUSSELL:

The Russell Connection

Gladys Russell was my grandmother, on my father's side. She was the daughter of Thomas and Nancy Elizabeth Hill Russell. It was very hard finding Thomas. Everything I had found indicated he was living in Stanly or Montgomery County. Then I discovered that he was living with his son Glenn in Thomasville, in 1942 when he died. His death Certificate was in Davidson County. Once I found his death certificate and found out his father's name was Lane Russell, I was able to place him in a book on the Russells written by Ernest Parker Russell, called "The Grains of Sand". I have a copy and there is a copy in the Stanly County Library.

In the 1870 NC Census, you will find Y.L. Russell, 45 M, born 1825, Elizer Russell, 40 F, born 1830, with 7 children, the 6th being Thomas Russell, 7 M, born 1863. James Russell, 1765 was the father of Leonard Russell, 1790, father of Youngman Lane Russell. Leonard Russell married Polly Brewer. They were born in about 1790. Youngman Lane was born in 1825 and died in 1892 and is buried in Center Methodist Church Cemetery. He has a marker but the stone had deteriorated to the degree the inscription could not be read. He married Eliza Russell in 1847. Eliza is the daughter of Willis and Polly Coggin Russell, she was born between 1827 and 1830. In 1850 they were living in house #1079 in Randolph County and her brother Whitson A. Russell was living in the home of Joseph Hopkins, house # 1084. Youngman Lane and Eliza moved to Montgomery County and settled in the Grady Fork Creek and Beaverdam Creek area. In 1870 Census of Montgomery Co. Eldarado, Youngman Lane and Eliza were living in house #39, Whitson A. Russell and Martha was living in house #40, and Julian Harris and Christina Russell in house #38.

Our Mother, Attie Jerome Burleson Bass

By: A. Paul Bass, Jr.

Our mother Jerome was a loving kind person who devoted her married life being a homemaker, mother and wife. As her only son (Paul Jr.) I lived in her home for just over 18 years. During those years from 1929 to early 1945 Jerome's family moved frequently since her husband followed construction work, building hydroelectric dams at High Rock, NC, where I was born in 1927, Cliffside NC, Bechwith W Va where Ruby was born in 1931, Dublin Va, Forrest City NC, Spencer NC, then Lenoir City Tn in 1940 for construction of the Fort Loudon Dam.

In the years 1940 through early 1945 Jerome cooked everything brought into the house by two avid hunters and fishermen, Paul Sr. & Jr. Quail, squirrel, rabbits, turtle and fish were always prepared for the dinner table by Jerome, alone with homemade biscuits.

Notes for LUCY H. BURLESON:

LUCY HELEN<sup>7</sup> BURLESON, b. 10 October 1879, Kane, Greene County, IL; m. OSCAR S. GROVER; b.

June 1876. This couple married in Hilliard Butler County, Missouri on Dec 24 1895. She gave birth

to a son in December of 1897, and they moved to Illinois from Missouri, and then later to Clark County, Kansas. Lucy helped her aged parents filling out forms for teh government, but passed away early at 35 years of age. Lucy H. (Burleyson) Grover died 15 February, 1914. This fact is written on the pension questionnaire, so it is not a guess. The state of her death is not listed, however I assume it to be Kansas, since her last census was Clark County, Kansas (1910). They had

a son named Lawrence Henry Grover born Dec 1897, Illinois. This child is listed on the censuses

you quoted, so you must not have read the entire census thoroughly. See the Calhoun County Illinois census of 1900 again and check for Lucy's child: Lawrence Grover. The reason you will not see Emily living with her parents on this 1900 census is that she had already married John Perkins and moved out of the parental house thirteen years previously.

Notes for JOSEPH SAMUEL BURLESON:

MY GRANDFATHER

JOSEPH SAMUEL BURLEYSON

By Rosemary B Adams July 27, 2005

J.D. Burleson, a cousin has asked me to write about my grandfather. Thanks J.D., you have actually encouraged me to do something I have wanted to do for a long time but somehow kept postponing.

My grandfather on my paternal side was Joseph Samuel Burleyson. Although my grandfather died in 1954 for me he is very much alive in my memories because of his Godly lifestyle. Many people called my grandfather Joe Sam, but our family called him, very lovingly, Papa.

Papa was born in Stanly County on March 7, 1869. His father's name was David Derrick Burleyson, and his mother's name was Nancy Mann.

Papa's father farmed and was in the Civil War. David was conscripted and at the end of the war he was in prison at Point Lookout, Maryland. He had to take the oath of allegiance before he could return home. The war had tremendous impact on the Family. I don't ever remember Papa talking about the war but I know it was probably the topic of conversation with his generation, and created great hardship for his father. One relative told me that when my great grandfather (David Derrick Burleyson) came back from the war he wasn't the same man. His hand and arm had been injured or burned and we are not sure how much he was able to do after the war but all his Children were educated and went on to live productive lives.

Papa had a good sense of humor and enjoyed life. He would try to shock people by saying, "Did you know my mother was a man?" Then he would wait for a reaction. He was always delighted to say his mother was a Mann. Papa also enjoyed music. As a child I remember someone would come and play the autoharp for him. His foot would tap as he listened to the music and the smile on his face and the twinkle in his eyes was a trademark of Papa. Mary Jane his wife who had passed away years before and several of her sisters played the autoharp and would sing at different churches in the area. I believe the music helped him remember a happier time when he was a young man surrounded by his wife and children.

Papa married Rosa Lee Hatley and they had a son named Burley Claude Burleyson, unfortunately she died leaving her husband and young son. However, in 1904 Papa married again this time to Mary Jane Rowland and Mary Jane accepted four year old Claude as her son and

showered him with the same affection that she did her biological children. Papa and Mary Jane had seven children together. The first Child was Blanche Estelle who lived less than a year. All the other children lived to become adults. The next child was Eva Ardelia, followed by Ora Gerome, Lillie Leona, Louis Franklin, and my father Hurley Raymond.

Aunt Eva, Papa's oldest daughter loved to talk to me about the past and the family she grew up with. I have no doubt the home was happy and filled with love. My Dad was the baby and stayed with his mother and father when the family was told that Mary Jane had cancer. My Dad would speak about those times often and with great sadness. Dad would tell me that I looked like his mother and that when she died she still had black hair, no gray. One of my aunts said that Papa loved all his grandchildren but I reminded him of Mary Jane and that made him especially happy.

Papa was educated and knew some Latin and Greek but I do not know where he received his education. He taught at Yadkin Mineral Springs Academy which later became Palmerville Academy. The family considered an education a top priority and I have since found that true of all the Burleyson family. Papa also farmed on the land that he had inherited, the combination of teaching and farming provided the income to raise his family.

When Papa was older he would stay with his children. Each family benefited by having him stay for awhile so that his grandchildren got to know him. He stayed mostly with Aunt Eva his oldest daughter. Her husband was a wonderful man who told Papa that as long as he lived he would always have a place for him. I always loved for Papa to stay with us but many times I was in the hospital and had limited contact with him.

My memories of Papa I will admit from the start are biased. I loved him so much that I named my own son Joseph in honor of him. Papa was as close to perfection as a human is able to be. My fondest memories are those that have stayed with me and comforted me just as he was able to offer me comfort as a child. At eighteen months I was diagnosed with polio. Papa was my refuge and when he held me in his arms and rocked me in a big maple rocking chair with cushions my world seemed safe and secure. He would hold me close with my head resting on his chest. The ear against his chest could hear his breathing and the other ear his soft, rhythmic voice that could sooth my fears and pain. It was not until years later that someone told me he was always quoting scripture to me.

Aunt Eva would often ask me "Did you know Papa prayed for you before you were ever born". He prayed for all his children and grandchildren. I did not know. All I knew was this man loved me very much and comforted me in my pain. I believe he was not only quoting scripture when he held me I believe he was praying as well.

When I was older and able to walk with a brace Papa would take me out. He seemed so tall and his blue eyes and snow white hair seemed like a peak on a mountain when I would look up. I remember my little arm had to stretch to hold his hand. He would take me to a little café in Badin. He would reach down and lift me up and put me on a bar stool and then take the seat next to me. I remember looking down and feeling a little fearful when I saw how far off the floor the bar stool stood. Then when I would look at Papa the trust was complete and I knew he would not let me fall. He would buy me a Coca-Cola in a bottle and an oatmeal cookie. To me that was a big treat. He would talk to the other people and I would sit patiently just happy to be beside my Papa. After a visit with the other people Papa would take me down off the bar stool and we would walk back home.

If you didn't know Papa he might seem to be someone you would not easily approach. He always carried himself so erect and dressed in an authoritative manner. I remember he always

wore a stiff white shirt and black or navy pants with a gold watch chain dangling at his waist. His outward appearance might seem austere but inside was a heart so filled with love you wondered how he could contain it. I believe Papa loved everybody, in fact he told my cousins that if he had an enemy he never knew it.

Papa worked even when he was elderly. He would go to Charlotte any way he could even if it meant hitchhiking to get Bibles to sell. He also sold little prayer books and I have a little book of blessings from him. One of my cousins recently told me something about Papa that I did not know. He went to the Quarters in Badin an area where only the blacks lived. Papa went when most people would not associate with blacks. He was a friend and he wanted to tell them about Jesus and how much Jesus loved them. Papa knew the families and their children. He would visit in their homes and have meals with them. He spent a lot of time there and the friendly waves and smiles let me know they cared about Papa just as much as he cared for them.

Papa would spend time in our garage where he kept mementoes from the past. He had several large trunks that he would spend hours going through. Some times people would stop by and ask Papa about a passage in the Bible. They would know part of the verse but have no idea where to find it. Papa always knew where to find the passage and was always happy to help; he never turned down an opportunity to discuss the Bible. I still have one of his Bibles and inside the front cover in my little childish penmanship I had written that every time I read his Bible I would remember him and I do.

Papa was fully human even if in my mind he sometimes seems bigger than life. I don't ever remember a harsh word from him. In fact, I remember one time when I got into his cereal, eating a bowl or two and putting the box away. Later Papa came and sat down by my side and said "the cereal I eat is for old people and you need to eat your cereal." He did not scold me but gently reminded me I did not need a high fiber cereal.

I wish I knew if what I am writing about my grandfather would be pleasing to him. I think he would want me to see him not as so wonderful or significant but as the man who pointed me and others to the one he saw as wonderful and significant...Jesus Christ. One of Papas favorite Bible verses was "every good and perfect gift comes from God above" James 1:17. Yes, every good and perfect gift comes from God above and I am especially thankful for the gift of a humble and Godly grandfather.

Notes for ELLA BURLESON:

Memories of Grandma Ella:

Since we lived in Arlington, VA and Grandma was in NC we didn't see her much when we were children.

We remember her visiting our home on Danville Street and sitting on the front porch with us children and Mama. We would sit and talk for hours and watch the birds. This seemed to be a great past time of the entire Burleson family in NC and VA!! She enjoyed seeing the different varieties that we had in VA. I remember back then seeing a Baltimore Oriole which was a rare treat for us too. Maybe it was a special gift to us since our Grandma was visiting which was the only time I remember her coming.

She used to make quilts out of old suits from the 11 boys and the grandfather. We were used to quilts made out of old colorful dresses and clothing but we figured since she had so many men in her family she had to do something with all those outgrown suits. She gave us a lot of those homemade quilts and we all had one or two on our beds. We were thankful for those wool quilts as they kept us warm during our cold Virginia winters. We also had a lot of snow in those days. We would lay in or bed at night under those quilts and talk to each other from room to room and think of our Grandma and our Uncles and Aunts and Cousins in NC and wish she weren't so far away and could see each other more often. It would be nice to have one of those quilts today for a keepsake!!

I remember my only trip to Albemarle as a child was with Uncle Lee and Aunt Dorothy. We stayed at Grandmas house. I thought it very strange that she had an outhouse!! I had never seen or used one. For some reason I had to use the restroom at night and Dorothy told Uncle Lee (Papa as I called him) to take me to the "filling (not gas) station". I remember Grandma

making some great biscuits for breakfast each day. I guess I wasn't the only one who loved them because my cousins all talk about them !!

I hear that Grandma used to iron white shirts for those 12 men everyday. Plus that wasn't an electric iron either ! I was amazed that she did that !! .

Memories of our Uncles:

When we were growing up we had many wonderful Uncles. In Val we had Uncle Brady, Uncle Boyce, Uncle Lee, Uncle Pat, Uncle Ben , and Uncle Dick (Craven), Uncle Heath .

In NC there were Spurgeon, Cecil, and Hobart.

Uncle Brady was the oldest and more like the Grandfather we never knew. When I was young I used to go to Uncle Brady's and Aunt Celies in the summer for vacation Bible school. They had a really neat attic with a bunch of beds, and a lot of board games. There was a fort and tree swing in the woods to play on. Uncle Brady always had a garden in the side yard. I found out in later years that the cousins in NC went to Uncle Brady's to visit also. Velma and Geneva and Sally have some of the same fond memories that I have of visiting with Aunt Celie and Uncle Brady. Uncle Brady worked for the railroad and I loved it when he came home in his uniform.

Uncle Pat worked for Woodward and Lothrop and sold furniture. Seems all the Burlson boys were salesmen at one time or another .

At one time or another Uncles Dick, Heath, and Ben lived in our basement. They were always very protective of us children.

Uncle Boyce and Aunt Alice lived out in the country in Fairfax VA. We got to go see them on rare occasions and visit our cousins Marsha and Brenda. That was great fun and we always went home with food from the garden and food Aunt Alice cooked and canned.

I lived with Uncle Lee and Aunt Dorothy when I went to first grade. Uncle Lee also was a kind and gentle man and he was like my father to me. He loved fishing and retired in FL where he fished on the Ocean.

We didn't know our NC Uncles very well ( Uncle Cecil and Spurgeon and Hobart)) . I guess I knew them the best because I saw them when I was at Uncle Lee's and they came to VA. I don't remember Uncle Hobart ever coming to VA but he may have.

Brady, Pat, Lee, Dick (Craven), Ben, Boyce, Ernest and Heath all left Albemarle to come to Washington, DC to get better jobs. All lived in VA except Uncle Brady who resided in MD. All stayed and raised families except Uncle Ben, Dick, and Heath who had families in Albemarle first and came to VA. Uncle Heath died in VA and Uncle Ben and Dick went back to Albemarle.

Notes for BENTON BURLESON:  
Gaston and Benton Burleson

At one of the meetings of the Burleson Family Research Group, we were gathering information on the descendants of the Joseph Burleson family. Hilda Snuggs related some of what she knew about Gaston and his brother Benton Burleson. She made the statement that Gaston and Benton by themselves saved the bluebird population in Stanly Co. from becoming extinct by making birdhouses from tin cans they found in ditches while they walked the roads.

I was well aware of that fact for the last 50 years, but had not thought about it that way. Indeed, these two Burleson brothers deserve that credit. Saving the bluebirds was not a national or state project sponsored by a foundation or university, only the natural love of nature by these two brothers that many would consider a little odd. "A little quart" was the phrase used then, meaning "not in the mainstream" or "someone that did not think or act like most other people."

I remember Gaston and Benton well from my teen years. They were the two sons of Samuel Burleson and were grown men during my early life. Benton had served in WWII. Sam's house stood in the curve of Fink Rd, just below the intersection of Parker Rd. I remember the unpainted house that must have been built in the 1850s or 60s. The yard was full of birdhouses built of every sort of material and I remember a jar tree. If you don't know what a jar tree was, it was simply an 8" tree usually a cedar, with many limbs that had been killed by removing bark from a section completely around the trunk. The small limbs were then cut off, leaving enough to hold an inverted fruit jar. Canning in jars was a necessity on the farm. This allowed dozens of washed and clean jars to dry without collecting rainwater and they remained there until they were needed again in the spring. Sam had a large iron wash kettle nearby to wash clothes in and render hog fat to make lye soap. The kettle was used for any propose that was needed.

To understand Gaston and Benton, you must know of the times and their family that produced their character.

First, the land their family farmed was in the hills and hollows of the headwaters of Little Bear Creek. Today this land is only three miles from the city limits of Albemarle, but when Isaac Burleson settled there, the nearest town was Salisbury. It was in the days of his grandchildren, William and Joseph, that Albemarle (1857) was created. In the 1830 Montgomery Co. census, most

of the Burlasons were not listed because of the remoteness of Little Bear Creek. When I say "The Burlasons", the term can be used at any generation of time from 1782 to present. During the Revolutionary War, Isaac settled on the west bank of Little Bear Creek. Isaac Jr. was granted land adjoining his father to the east. His sons William, Joseph, and Lee bought land adjoining to the east of their father. More land was purchased adjoining to the east by the next seven generations, even down to the present generation. My son Daniel owns the house next to my parents house where I was raised in.

Today you can draw a rectangular block from the Austin Rd. to Long Creek, along the Canton Rd and you have located "The Burlasons" for the last 230 years. We were and still remain cousins and neighbors after ten generations.

Sam grew up among his uncles and cousins that had served in the War of Northern Aggression. Sam had two Burlason uncles killed in the war and his grandfather, Joseph, had been wounded and been sent to Point Lookout Prison, a Yankee prison. Sam remembered the Reconstruction Era and later the best Sam could hope for was to farm and provide for his family. Education was a luxury that Gaston and Benton was not afforded.

By the time Gaston and Benton came of age, things had not changed much. In their youth, an automobile was a rare sight, the horse and buggy was the mode transportation. During their days, the family farm stopped being the sole means of support as manufacturing came to Stanly Co. By the time that I first remember meeting Gaston, Benton and Sam, they had given up farming.

Much of the time, Gaston and Benton had no occupation. Whether by circumstance or choice, I do not know. I do know that both were bad to drink. I have been told that they were the terror of the nearby bootleg joints on City Lake. Gaston was a good-sized muscular man and Benton much smaller. Rough to the bone, they were in trouble most of the time.

When things got too rough, they could be found back at Sam's house. Gaston or Benton never married. At times, they did not have transportation and would walk the roads. Often when they could get something to drink, they would go down on the creek and spend several days or a week in the woods until the alcohol was completely gone. This practice was not uncommon to several other citizens of my neighborhood.

With nothing else to do, they would walk the dirt roads, and most were dirt until the 1960's. When they would see an oil can, oatmeal box or some other can, they would stop and use their pocketknives that they always carried, and cut a hole for a bird to enter. At the next fence post, the can would be carefully place on the post. Any scrap lumber or board would find a home in a tree or a fence post to become a birdhouse. Over the years, these fashioned birdhouses could be seen by the hundreds in our section. The blue birds flourished as long as Gaston and Benton were around.

Sometime in the early 60's Gaston had a life-changing event. I have heard him tell the story several times of how he was drinking at a bootleg joint one night when he got into a fight. Gaston always carried a pocketknife but he was too slow this night. Gaston related how he walked into the hospital carrying his intestines wrapped in his arms.

He survived that and this was the end of his drinking days. Gaston was a different man afterwards. He held a steady job after that. I believe he hauled trash from the Collins and Aikman plant to the landfill. Of course, this provided more birdhouse material.

This was the Gaston I remember best. On occasion, he would ride with my father as he drove a truck to Virginia and delivered dressed chickens to wholesalers. Gaston would help unload the truck. My father did not leave on his overnight trips until 5:00 pm, so Gaston would come over in the morning and spend the day. Before each meal he ate with us, Gaston would wash "his grabs", as he called his hands. I remember his hands were permanently stained and Gaston would laugh about that. Gaston was always smiling and laughing and very appreciative of my mother's cooking. Gaston was truly a different man in his later years.

Sometime in the early 60's Gaston had a life-changing event. I have heard him tell the story several times of how he was drinking at a bootleg joint one night when he got into a fight. Gaston always carried a pocketknife but he was too slow this night. Gaston related how he walked into the hospital carrying his intestines wrapped in his arms.

He survived that and this was the end of his drinking days. Gaston was a different man afterwards. He held a steady job after that. I believe he hauled trash from the Collins and Aikman plant to the landfill. Of course, this provided more birdhouse material.

This was the Gaston I remember best. On occasion, he would ride with my father as he drove a truck to Virginia and delivered dressed chickens to wholesalers. Gaston would help unload the truck. My father did not leave on his overnight trips until 5:00 pm, so Gaston would come over in the morning and spend the day. Before each meal he ate with us, Gaston would wash "his grabs", as he called his hands. I remember his hands were permanently stained and Gaston would laugh about that. Gaston was always smiling and laughing and very appreciative of my mother's cooking. Gaston was truly a different man in his later years.

Notes for ELLA BURLESON:

Memories of Grandma Ella:

Since we lived in Arlington, VA and Grandma was in NC we didn't see her much when we were children.

We remember her visiting our home on Danville Street and sitting on the front porch with us children and Mama. We would sit and talk for hours and watch the birds. This seemed to be a great past time of the entire Burleson family in NC and VA!! She enjoyed seeing the different varieties that we had in VA. I remember back then seeing a Baltimore Oriole which was a rare treat for us too. Maybe it was a special gift to us since our Grandma was visiting which was the only time I remember her coming.

She used to make quilts out of old suits from the 11 boys and the grandfather. We were used to quilts made out of old colorful dresses and clothing but we figured since she had so many men in her family she had to do something with all those outgrown suits. She gave us a lot of those homemade quilts and we all had one or two on our beds. We were thankful for those wool quilts as they kept us warm during our cold Virginia winters. We also had a lot of snow in those days. We would lay in or bed at night under those quilts and talk to each other from room to room and think of our Grandma and our Uncles and Aunts and Cousins in NC and wish she weren't so far away and could see each other more often. It would be nice to have one of those quilts today for a keepsake!!

I remember my only trip to Albemarle as a child was with Uncle Lee and Aunt Dorothy. We stayed at Grandmas house. I thought it very strange that she had an outhouse!! I had never seen or used one. For some reason I had to use the restroom at night and Dorothy told Uncle Lee (Papa as I called him) to take me to the "filling (not gas) station". I remember Grandma making some great biscuits for breakfast each day. I guess I wasn't the only one who loved them because my cousins all talk about them !!

I hear that Grandma used to iron white shirts for those 12 men everyday. Plus that wasn't an electric iron either ! I was amazed that she did that !! .

Memories of our Uncles:

When we were growing up we had many wonderful Uncles. In Val we had Uncle Brady, Uncle Boyce, Uncle Lee, Uncle Pat, Uncle Ben , and Uncle Dick (Craven), Uncle Heath .

In NC there were Spurgeon, Cecil, and Hobart.

Uncle Brady was the oldest and more like the Grandfather we never knew. When I was young I used to go to Uncle Brady's and Aunt Celie's in the summer for vacation Bible school. They had a really neat attic with a bunch of beds, and a lot of board games. There was a fort and tree swing in the woods to play on. Uncle Brady always had a garden in the side yard. I found out in later years that the cousins in NC went to Uncle Brady's to visit also. Velma and Geneva and Sally have some of the same fond memories that I have of visiting with Aunt Celie and Uncle Brady. Uncle Brady worked for the railroad and I loved it when he came home in his uniform.

Uncle Pat worked for Woodward and Lothrop and sold furniture. Seems all the Burleson boys were salesmen at one time or another .

At one time or another Uncles Dick, Heath, and Ben lived in our basement. They were always very protective of us children.

Uncle Boyce and Aunt Alice lived out in the country in Fairfax VA. We got to go see them on rare occasions and visit our cousins Marsha and Brenda. That was great fun and we always went home with food from the garden and food Aunt Alice cooked and canned.

I lived with Uncle Lee and Aunt Dorothy when I went to first grade. Uncle Lee also was a kind and gentle man and he was like my father to me. He loved fishing and retired in FL where he fished on the Ocean.

We didn't know our NC Uncles very well ( Uncle Cecil and Spurgeon and Hobart)) . I guess I knew them the best because I saw them when I was at Uncle Lee's and they came to VA. I don't remember Uncle Hobart ever coming to VA but he may have.

Brady, Pat, Lee, Dick (Craven), Ben, Boyce, Ernest and Heath all left Albemarle to come to Washington, DC to get better jobs. All lived in VA except Uncle Brady who resided in MD. All stayed and raised families except Uncle Ben, Dick, and Heath who had families in Albemarle first and came to VA. Uncle Heath died in VA and Uncle Ben and Dick went back to Albemarle.

It is known that son Alexander (Alec) Knight ran away from home at age 14 when J.F. Knight, an ardent fundamentalist, forbade him to attend a dance. His daughter Bethel Knight Hammond told of her memories of her Grandfather Knight being very strict on the children and when she visited there, they always attended church for most of the day on Sundays. He had a white horse that was hitched to the wagon and all attended church, spiffed up in their best and they were at their cleanest.

She was born 01 Nov 1891 in CRISP, DADE CO MO, and died Oct 1974 in GREENFIELD CEMETERY, SPRINGFIELD, DADE CO, MO.

Notes for ISAAC LILBURN BURLISON:

Isaac BURLISON: 1890 Everton, MO - 1982 Springfield, MO

Isaac BURLISON. son of Mary Lou Ann and Aaron BURLISON, was born August 20, 1890 in Everton, Missouri and departed this life after a short illness in the Medi-Center of Springfield, MO on September 8, 1982, being at the time of his death 91 years and nineteen days of age. He lived in Everton: until he was eleven years old when his parents moved to Arcola to a farm. He married Hattie WHITE on October 24, 1911. To this union was born three children: Lester E., Mary Marie, and Kathryn Ruth.

He lived near Arcola until 1924 then moved to Colorado for four years and moved on to California, but came back to Missouri in 1932 to take care of his aged father. In 1934 he went

back to California, returning later to a farm near Crisp, MO. He spent his entire life as a farmer and ranchman until he sold his farm because of the Stockton Dam Project and moved to Greenfield, MO in 1965. He was converted in 1921 in Old Cave Spring Baptist Church, later moving his membership to Arcola, Greenfield and Stockton First Southern Baptist Church. He was ordained a Deacon in the Cave Spring Church in 1965. He lived by the Bible and was faithful to his church as long as he was able to attend. He was a good husband, father, grandfather and friend and was always sure his family's needs were provided before his own. He spent a few years in the Lakeland Apartments in Stockton and was a member of the Senior Citizens Group and seemed to be a favorite of all who knew him among the young as well as the older set.

He leaves to mourn his passing one son. Lester Earl BURLISON and one daughter Kathryne Ruth DeGraffenreid. Both of Stockton, MO and on daughter, Marv Marie BACKLIN of Yucaipa, CA. six grandchildren and ten great-grandchildren and host of other relatives and friends. He was the last of his brothers and sisters to go to their reward. He will be sadly missed by all who knew him and the vacant chair can never be filled.

The Memorial Service was conducted by the Reverend A. D. CHRISTIAN of Springfield and the Reverend O. A. NEVVMAN of Stockton in First Southern Baptist Church of Stockton. The body was laid to rest in the Greenfield Cemetery.

Notes for GERALDINE "GERI" FOSTER:

Aunt Geri made her transition away from this world yesterday. It was incredibly peaceful and when all had assembled, both from this world and the other, she said goodbye.

Helen Keller said that death would be "...no more than passing from one room into another. But there's a difference for me, you know. Because in that other room I shall be able to see." For Aunt Geri, she was able to walk into that next room with uncle Ode, the love of her life - and remember and do all that Alzheimer's had taken from her.

As we prepare for a formal send-off that will happen at 11:00 am November 5 at Pine Grove United Methodist Church in Albemarle, NC, her example of gentleness and love will guide and inspire all that knew and loved her in the coming days - and always. Johnny Burleson

Article on Lena in the Recollections page 42-43. And an article she wrote on page 6.

THE STANLY NEWS & PRESS, Albemarle, N.C., Thursday, March 23, 2000

Lena Odessa Lowder Burleson, 95, of 2675() Burleson Road, Albemarle, died Tuesday, March 21, 2000, in the Lutheran Nursing Home in Albemarle.

Her funeral will be at 2 p.m. today in Pine Grove United Methodist Church, where she was a member. The Rev. Curran Welch and The Rev. Martha Welch will officiate and burial will be in the church cemetery.

A business woman, farmer, dairyman and poultry farmer, she was born April 30, 1904, at the Lowder homeplace off the Concord Road, the oldest of seven children. She lived with and cared for her aging grandparents until their deaths. During this time she absorbed good reading materials, excelled in school and developed a sense of history and pride in her heritage. Events and people of the time made a deep impression on her and school, although a long walk, was a joy.

Her great-grandfather gave the three acres of land for Friendship Methodist Church and it was here she joined family members in singing. Her uncles played in the band from the area and at one time, she could play a violin, piano, organ and strum a guitar.

In 1922 she married Klon Roy Burleson and moved to the home on Burleson Road, becoming a member of Pine Grove Methodist Church.

In 1928 her husband became ill with Hodgkins disease. When he died in 1936 she had five children and was expecting her sixth.

Refusing to place any of her children in an orphanage or let family members take one or more of them, she set about to do what she knew to support them, farming. She raised chickens and sold eggs, milk and butter to support her family.

Her workday averaged 18 hours. After dark and with the chores done, she made butter, preserved the food of the season and made clothes for herself and her children.

She was barber to her sons, the neighbors and nearby relatives.

Over the years her children grew up and her sons served in the military. All settled not too far from her.

"Miss Lena" was ahead of her time with her awareness of events around the country and in foreign places and remained involved in current happenings and issues, politics and farming until well into her 90s.

She is survived by three sons, Jay Brice Burleson, Ted E. Burleson and Johnny P. Burleson, all of Albemarle; three daughters, Ruby B. Greene and Hilda B. Snuggs, both of Albemarle, and Del B. Nunn of Charlotte; 14 grandchildren; and 25 great-grandchildren.

Memorials may be made to Pine Grove United Methodist Church Fellowship Hall, 29844 NC Hwy. 24127 Albemarle, NC 28001.

LUCILLE'S FATHER WAS ALBERT JACKSON MORTON, BORN DEC 20, 1904, DIED JUN 10 1962

Edith Lucille Hatley

April 24, 1923 - February 10, 2005

Edith is a unique lady that knows so much for one person. She is great at cooking, growing flowers and vegetables, canning, sewing, crocheting, and adores the animal world. Most of all she is a mother, grandmother, and a friend. Her gifts of knowledge are priceless and her laughter is forever. She moved away from her home in Albemarle last year to be in Virginia. She missed the many friends and relatives she had to leave behind but stayed in close contact. She discovered a surge of new health and became a happy and vibrant woman in her new home. She was a mustard seed that moved mountains. Edith has a strong will which she showed many times throughout her illness. She passed away peacefully with loved ones at her side reminding her of how very special and loved she is to us all. She has left us with many wonderful memories and her passing is a reminder to each of us that we should cherish our days and the ones we love always.

A grave side service will be held at Friendship United Methodist Church on Highway 73 on Saturday, February 19th, 2005 at 11:00 am. A light lunch will be served in the Fellowship Hall after the service as a time to gather and share our love and memories. Flowers will be received by Hartsell Funeral Home or a donation may be made in her name to the Friendship United Methodist Church at 703 Amanda Way, Albemarle, NC 28001.

Hartsell Funeral Home - Albemarle will be serving the Hatley family.

ALBEMARLE - Mrs. Morton, 86, passed away, with her loving family by her side, on Saturday, March 26, 2005. She was born in Stanly County, NC on July 6, 1918.

A Celebration of Life will be held 2:00 PM Tuesday, March 29, at Poplin Grove Baptist Church with Reverend John Lindsay, Reverend Gary Pinion and Reverend David Alexander officiating. Interment will be in the church cemetery.'

Eunice was a very gifted and talented lady. She was an excellent homemaker, and taught many people to cook, freeze food, and bake. Whenever one would stop by her home, she was excited to offer them something special she had just made.

From the looks of her yard, one could tell that Eunice loved yard work. Anyone traveling the Saint Martin Road would be sure to notice her flowers, which she shared freely with many. For 60 years, she did beautiful handwork in crotchet, knitting, and crossstitching. Her home was filled with special pieces as well as the homes of her family members and special friends.

It was very evident in the way she lived her life that Eunice gave her life to the Lord as a young adult. A member of Poplin Grove Baptist Church for over 60 years, she was involved in the life of the church as long as her health allowed.

Life has been enriched for those who were privileged to know Eunice, affectionately known as "Grandma" Her most treasured times were spent with her family, especially her son and grandsons. She taught her family so many things including kindness, gentleness, forgiveness, and love. Thank you, "Grandma," for your caring, sharing, and loving. We love you, too.

The family extends sincere appreciation to all of the "family" at Stanly Manor for seven and a half months of excellent care.

Survivors include her son, Eddie Morton and wife, Marilyn, of Albemarle, NC; grandsons, Jeffrey Ryan Morton and wife, Katherine, of Fuquay Varina, NC, and Jeremy Andrew Morton and special friend, Susan Chouanec, of Raleigh, NC; great grandson, Samuel Taylor Morton of Fuquay Varina, NC; , brothers, Clegg Burleson and wife, , Elsie, and Retha Burleson and wife, i Lois, both of Albemarle, NC; sisters, Faye Morton and Ramelle Freeman, both of Albemarle, Sue Page and husband, Harold, of Nor- ~ wood, NC, and Carolyn Slack and , husband, Roger, of Albemarle; and I sisters-in-law, Hazel Bost Burleson ' and Sarah Hatley Burleson, both of Albemarle. He married INEZ LEONARD.

Notes for RICHARD NELSON BURLESON:

I don't have any more information about this tragic incident but I found Nelson Burleson in the 1940 U.S. Census serving time in Cabarrus County NC State Prison Camp. According to this census, he was still living in Albemarle, Stanly County, NC in 1935 so he must have entered the prison sometime between 1936-1940. It also states that he is married. He married Inez Leonard.

1940 U.S. Census of Cabarrus County NC Prison Camp, Mount Pleasant, Cabarrus, North Carolina; Roll: T627\_2882; Page: 17A; Enumeration District: 13-22, Line 32, "Nelson Burleson" Nelson Burleson, Prisoner, M(ale), W(hite), 21 yrs old (DOB 1919), Married, Attended high school 2 yrs, Born in NC, Lived in Albemarle, Stanly County, NC in 1935, Inst

What happened to Nelson Burleson after he got out of prison? What I know comes from his death certificate. He died 12/21/1970 in the Moses Cone Hospital, Greensboro, Guilford County, NC. He was evidently living in Eden, Rockingham County, NC with his wife, Inez Leonard Burleson, at the time. He also died of a tragic accident. A rock pile fell on him. He lasted 5 days but died of kidney and liver failure, shock, blood loss, fractured pelvis, ruptured bladder and collapsed lung. He was only 52 yrs old. He was buried at the Fairview Cemetery, Albemarle, Stanly County, NC.

Buried: 12/23/1970 in Fairview Memorial, Albemarle, Stanly County, NC

\*Kidney and liver failure

\*\*Fractured pelvis

\*\*\*A pneumothorax is a collapsed lung. Pneumothorax occurs when air leaks into the space between your lungs and chest wall. This air pushes on the outside of your lung and makes it collapse. In most cases, only a portion of the lung collapses. A pneumothorax can be caused by a blunt or penetrating chest injury, certain medical procedures involving your lungs or damage from underlying lung disease.

His death certificate did not indicate that the accident happened at work.

Notes for RAYVON BURLESON:

Col. Rayvon Burleson

Colonel Rayvon Burleson (USAF, retired) of Smyrna, Del., and Nags Head died at the University of Pennsylvania Hospital in Philadelphia July 14, 2003. Born in Albemarle in 1920, he graduated from Albemarle High School and enlisted in the U. S. Army in October 1941. While in the Army, he attended Davidson College. He was commissioned as a 2nd Lt. in the U.S. Army Air Corps in 1944 and received his pilot wings in 1945. During his 30year military career, he served as a transport, bomber; helicopter and test pilot. Col. Burleson's initial flying duty consisted of coastal bomber patrol in the Pacific Northwest at the end of World War II. When the National Security Act of 1947 created the United States Air Force, he transitioned to its ranks and joined the Strategic Air Command. After the retirement of the B36, he transferred to the Military Air Transport Service, flying various aircraft. Col. Burleson was a part of the Air Force transition to the C-133 Globemaster and helped to activate two squadrons at Dover Air Force Base. He served as one of the C- 133s turboprop test pilots, becoming the fifth aircraft commander to be checked out in the aircraft and also flew weather tests in the aircraft at Wright-

Patterson AFB. For the C-133 program, he served as pilot, flight commander, chief pilot and squadron commander. He also served as Chief of Aircrew Standardization from 1960-1968.

Col. Burleson served two tours in Vietnam as the Director of Rescue and Commander, 3rd Aerospace Rescue and Recovery Group. He was responsible for the recovery of all aircrews shot down by hostile action. In 1969, he returned to Dover AFB, where he retired in 1970. After retirement, he worked as a corporate pilot for Indoor Tennis International before joining the Foundation for Airbourne Relief. This job consisted of flying food and medical supplies to remote, famine-stricken areas of Bangladesh. In 1973 he returned to Delaware where he served as Chief Pilot for Diamond Aviation in Cheswold. The following year he became the first Delaware State Aeronautics Administrator, a position he held from 1974-1990. During his 16-year career, he was responsible for updating civil airports throughout the state and oversaw the building of the Civil Air Terminal at Dover AFB. After his retirement in 1990, his love of flying continued as he could be seen flying his various civil aircraft all over the state.

His wife, Sibyl Lowder Burleson, preceded him in death in 1984. He was one of nine children of Lee and Bess Burleson and is survived by a brother, Ernest L. Burleson of Concord, and two sisters, Louise Caseman of Atlanta, Ga., and Maxine Tucker of Albemarle. Also surviving are two daughters, Elizabeth B. Morris of Bowers Beach and Lucinda B. Novotny of Smyrna and Nags Head; two grandchildren, Lt.j.g. Robert Burleson Novotny and Jane Lowder Novotny. Also surviving are many nieces and nephews.

A memorial service for Col. Burleson will be held at Summit Airport at 4:30 p.m. Oct 11, as part of "Summit Aviation's Celebration of Flight 1903-2003" where his T6 Texan warbird, one of two remaining Tuskegee Airmen advance trainers, will be on display.

Clarence Allen Crowell

December 2, 1925 - December 25, 2016

Clarence Allen Crowell, 91 years old, passed away peacefully at his home on Christmas morning. He was born December 2, 1925 in Anson County, the youngest of five children, to the late Homer Crowell and Vera Cagle Crowell.

He is survived by his wife of 68 years, Doris Burleson Crowell; and daughters Kathy (David) Odell and Myra (Tony) Ledbetter. He was very proud of all his grandchildren, Michele (Brad) Lowder, Windy (Erik) Frank, Wesley Calkins, Jon (Jessica) Ledbetter, Jamie (Dustin) Thompson, Jodi (Josh) Hathcock, and Jordan (Jerry) Wallace, Jamie Parker, Kelly (John) Dixon and 25 great-grandchildren. He was preceded in death by four sisters, and one grandson, Benjamin Crowell Calkins.

Clarence was a veteran of WWII, achieving the rank of sergeant in the US Army, where he served from 1944-1946 with the 76th Signal Battalion located in France and Germany. He was awarded the Expert Marksman Medal, and received commendation medals for the Asiatic Pacific campaign and European African Middle East Campaign. When Clarence returned from WWII, he began working for Western Union in Eastern North Carolina. The most memorable evening was spent in the same hotel with actress Ava Gardner. He earned \$38 a week plus all meals and hotel expenses, which was an excellent wage for that time. He missed Stanly County, and returned home to begin training under the GI Bill as an apprentice body shop worker with Crowell & Huneycutt Body Shop (later Crowell & Huneycutt Dodge), at a salary of \$27 a week. After several years he became interested in upholstery, opening his own shop. He retired in 2005 at the age of 80, after running Crowell's Upholstery for 40 years, alongside his wife, Doris. In October 2009 Clarence was invited to participate in the WWII Flight of Honor, hosted by former Senator Elizabeth Dole, sponsored by the West Stanly Rotary Club, and Rotary District 7680, where he visited the WWII Memorial with fellow veterans. He loved God, his family, his church, and his country.

The family will receive friends Tuesday, December 27, 2016 from 6:00 pm - 8:00 pm at Hartsell Funeral Home of Albemarle. His funeral will be held at 11:00 am, Wednesday, December 28, 2016 at Pine Grove United Methodist Church, with Rev. Brad Hinton and Dr. Chuck Hutchens officiating. Full military rites will be conducted by the Stanly County DAV. At other times the family will be at the home.

Mrs. Helen H. Burleson is Killed and Her Sister Critically Injured When Hit By Truck On Saturday Stanly New and Press, Tuesday March 13, 1945.

Bud Williams Is Held As Driver-Of Wood Truck

Fence Demolished and Post Broken by Truck.

Williams In Jail, Pending Charges In the Matter -- Rites for Mrs. Burleson set For Tuesday.

Mrs Helen Harrington Burleson was killed and her sister, Miss Elizabeth Harrington, was severely

injured at 1:45 o'clock Saturday afternoon near the north gate of the Wiscasset Mills when they were struck by a truck, owned by the Sibley Manufacturing Co., and driven by Alphonso "Bud" Williams, negro 39 of Kingville.

Mrs. Burleson, wife of Sgt. Burleson, Ft. Knox, Ky., who was the mother of a five-months-old baby, boy was killed almost instantly and was pronounced dead at the hospital. Miss Harrington, who suffered serious head injuries and one leg was broken, was taken to Stanly General hospital where it is stated she is in a critical condition.

At the time of the tragedy the young ladies, daughters of Mr. and Mrs. W. M. Harrington, 806 Ludlow street, and with whom they lived, were on their way to a nearby store and were walking west on the sidewalk bordering the fence and road near the entrance to the mill. According eye-witnesses the truck, traveling at high speed in the same direction, after rounding the curve about 180 feet distant from the spot where Mrs. Burleson was killed, veered to the left side of the road onto the sidewalk and crashed in the young women. About 25 feet of the fence was demolished and an iron gate/post about four inches in diameter was broken off.

Williams told officers he was trying to avoid an oncoming car which was on the wrong side of the road, but eye-witnesses declared there was no such car and the road was clear. Vance Lowder, gate-man at the Wiscasset Mills, said he witnessed the tragedy and saw no car approaching from the opposite direction.

No Statements

Rumors are rife that the Negro, Williams, was under the influence of intoxicants at the time. Deputy Sheriff Tarleton, Chief Ralph Smith and Officer Vester Brooks, who were at the scene shortly afterwards, have been non-committed concerning the state of Williams condition. He was injured about the face and head and was treated by Dr. W.N. McKenzie, county physician, who would also make no statement as to whether Williams was intoxicated or not.

Williams was brought to the county jail, where he is being held without bail pending the filing of formal charges against him. Officers are still investigation the case but it is expected they will complete their investigating work shortly.

Williams was driving a Plymouth pick-up truck, had just delivered a load of wood and apparently was returning to Sibley's Wiscasset yard when the young women were struck. He had been employed by the Sibley Manufacturing Co for about two years.

Mrs. Burleson's husband arrived in Albemarle early Monday morning and her brother, ARM2c Thurman Harrington reached here Sunday afternoon. Harrington, who was on his way from Sanford, Me to a new assignment in Florida was intercepted at Norfolk and flew to Charlotte,

from which point he was driven to Albemarle. The American Red Cross here arranged for the necessary leaves for both men.

The victim was widely known in Albemarle and had the admiration and respect of the entire community. She attended Albemarle High School and was popular with both students and teachers while there. Mrs. Burleson, in addition to her husband, parents and sister, is survived by her infant son and two brothers, Thurman Harrington, US Navy, and Lex Harrington, Albemarle.

Funeral services for Mrs. Burleson will be held Tuesday afternoon at 3:00 o'clock at Grace Baptist Church, with the Revs J A Seymour, C B Reid, W B Holmes and W J Russell, officiating. Burial will follow in Fairview Cemetery.

She was born 07 Jan 1953 in HIGH POINT, NC, and died 09 Dec 2013 in 4498 NC HWY 62 THOMASVILLE, NC.

Notes for LEONA KAROL HILLIARD:

Karol Hilliard Burleson, of Thomasville, passed away Monday evening. She was born to the late Mack and Mary Reece Hilliard, January 7th, 1953, in High Point, NC. She graduated from Ragsdale in Guilford County. She married John Douglas Burleson on June 26th, 1971. Karol worked as a book keeper for many years, but she was primarily a dedicated stay at home mother. She loved long car rides with audio books and coffee with her husband, painting, being warm in cold rainy weather, spending time with her children and grandchildren, and the ocean. She had

an amazing sense of humor and an unwavering optimistic outlook. She took great comfort in her faith and always had an appropriate Bible verse for any situation at the ready. Karol will live on in the hearts of her husband JD Burleson; two sisters: Nan, her husband Bill Treat and Meria, her husband Michael Howard; three children: Sheila, her husband Patrick Breese, and their children Tyler, Adam and Logan; Chad, his wife Pam Bradford, and their daughter Zoe; Wesley, and his wife Nikki Kinnamon. She was predeceased by her brother Charles Hilliard. Funeral services will be Saturday, December 14th at 2:00 PM in the J C Green & Sons Chapel located in Thomasville. Interment will follow at Holly Hill Memorial Park.

Well today is January 7, and Karol's birthday. My daughter has been after me to write down some of my memories about Karol. I have destroyed many trees so I thought I would do this on the computer. It just doesn't seem possible, like yesterday, with the good news Adam got about College the first thing you think about is calling and sharing this with Karol. She was the MeMe to those grandkids and they were the light of her life, she was always so proud of them. I believe she is looking down and smiling so proud of all her children and grandchildren.

When I have time to stop and think, it doesn't take long till I lose it. There are so many great memories of my life with her. First I go back to the night I met her, it was at the stop light of 68 and North Main Street in High Point, I looked over and she smiled and I was gone. I followed her to what was then K-mart (now Home Depot). She was picking up her best friend Sarah Bishop who was working at time. We talked and set a date for Sunday, then I was leaving for the beach with my Aunt and Uncle Bill and Peggy Shaw. Needless to say, I didn't stay at beach long, I think one day. I was back home trying to get another date, which I did. For me it was love at first sight and for 43 years she was my only love. I didn't drive a corvette but she made an exception.

When I go thru all the condolences and memories that others write, it seems to me that I am not the only one that realize what a loving and caring person she is. Because she was so organized and efficient that some of that rubbed off on me.

My mind goes back to the birth of all our children, she is best Mother that ever has been. She always knew just what to do in every situation. As our children grew up and in high school there were several friends that Karol was like a second mother too. Four of those friends were pallbearers along with two grandsons. She was so loved by so many, far to many to mention.

Queen of the kitchen

After 41 years of cooking the Family Night at First Baptist Church Ruth Elliott cooks her last supper.

Ummmm! You know it's country style steak night when you hit the parking lot. Or when you head down the hall toward the office. It's all you can do not to follow your nose right into the kitchen and peek into the pot. Wednesday is family night at First Baptist Church, and by 5:30 the line is long and mouths are watering for Ruth Elliott's country style steak and mashed potatoes and gray, salad bar, and hot rolls. Hot rolls? She reaches into the oven and takes out a dozen rolls she's preparing for a take-out order - and drops them. Plop! Right in the middle of the floor. No worry about the rolls. She's got plenty more. But this is the first time in the 41 years Miss Ruth has been queen of the kitchen at First Baptist that she's ever dropped anything. Maybe it's a sign. This day is different from all the other days. It's Miss Ruth's last. She won't be calling

Albemarle today or tomorrow to get her chicken order in for next Wednesday night or going to Food Lion Tuesday morning to pick up the rest of her groceries and kid around a little with the cashiers. They beg her to put all her recipes in a book so they can buy it. She won't be in the church kitchen by 7:15 next Wednesday morning. OK, so 7:15 is an early starting time for a 5:30 supper but frying steak for 300 people, give or take a few, takes time. And she doesn't drive. Her husband, Sam, who always took her every where, died almost two years ago. Now her daughter-in-law, Dee, takes her to work as she goes herself, and Dee's a teacher. So Miss Ruth starts early. Or did. She won't have to next week. Phyllis Ohm, who's been helping her for several years now and knows all the secrets that Miss Ruth has never kept secret, will be ordering the meat and picking up the groceries next week. "But I'm not going to tell'em goodbye," Miss Ruth says, coating another piece of steak with flour. "I'm going to volunteer to pour tea next week, so I can talk to everybody." Not to spend hours making sure the seasoning is just right and turning steak in the big iron pan and loving every minute of it because she knows the eaters are going to love every bite. "This is one of their favorite meals," she says. "I think I could fry chicken one week and steak the next and they'd be happy." Especially if dessert is chocolate cake with chocolate icing. But she likes to mix the menu up a little, so the Baptists have meat loaf nights and spaghetti nights and chicken pot pie and beef stew nights and coconut and lemon cheese pies, and they eat it all. So why did she decide to retire? "It wasn't easy," she admits. But she's 79 years old, and after 41 years as church hostess, she knows it's time. "I've got arthritis so bad in the knees and I'm afraid I'll fall." And if she falls, she could end up in a nursing home like her sister, Gertie Burleson, did, and she doesn't want that to happen. "So I cried, and I prayed," she says, "and I prayed and I cried." And finally she knew what the decision had to be. She'd retire and become a volunteer and let someone else be responsible for getting everything ordered and prepared and served and cleaned up after 250-300 eat their fill. It is fitting. She started as a volunteer.

Moved from Charlotte

Mrs. C.P. Mulder was church hostess when she and Sam and their two children moved here from Charlotte because of Robie Nash. Sam was a wheel alignment man, and Robie Nash had an automobile agency and a garage. "And Robie's daddy and my daddy were first cousins," she says, "so Robie came to Charlotte to get Sam to work for him when Raymond was only six weeks old" and their daughter, Charles Carolyn, was a few years older. "We moved, and the second week we lived here Maxine Carlton and Molly Moore came over and enrolled my son in the cradle roll at church, and we started coming to First Baptist and I started cooking." It was as simple as that.

She learned to cook from her mother and both her grandmothers. They all cooked by instinct. "And they were all excellent cooks," she says. She likes to read recipes and she uses them - but she changes them when she wants to. When she started volunteering. First Baptist was on the corner of Church and Liberty. When the present church was built, Mrs. Mulder decided to quit and the Rev. Archie Ellis asked Miss Ruth to be the hostess at the new church. And it's been her joy ever since.

`A little extra'

"I've always had good help," she says. And it's not hard to find out what people like (First Baptists like limas better than sugar peas) or cater to people who need something special. When she makes potato salad, she takes out some for those who can't eat onions before she puts the onions in. And she fixes chicken without salt for people who can't eat salt. "It don't take much to do a little extra," she says. That pleases the members. And pleasing them pleases her. Like it

always pleased her to watch people eat the angel biscuits she used to make. They couldn't get enough of those biscuits. One night when she was leaving a little boy asked her if she carried any of those angel biscuits in her pocketbook. No, not in her pocketbook, she told him, but she had some in the kitchen and she fixed a bag for him. Nora Poole used to say if Miss Ruth went first she'd look at her hands and just wonder how many angel biscuits she'd made in her life. She started them as an experiment, and everybody liked them so much she served them with everything until the doctor told her she'd have to stop making bread. But she didn't worry about that. She just bought rolls and they're good, too. She's never worried about hercooking. Cooking's like growing flowers,-' she said once long ago. "You have to talk to it. But I don't ever worry about it."

Not in the early days of the new church when the temperature rested in the 90s and there was no air conditioning, or now when people forget to make reservations or make them and don't come. It all evens out. Just like she's not worrying about retiring. Well, not much.

Hates to leave

Wednesday night, handing out the silver, she admits that deep down in her heart she's thinking somebody else will be doing this next week. But she doesn't talk about it. Instead she smiles. "I love it," she says, "and I just hate to leave it so bad. But I'm not going to sit down and do nothing." She's already got an order to fill for someone tomorrow at home. And she knows First Baptist won't ever turn away a volunteer who's been going to the church for 55 years. So she doesn't talk about what's painful deep in her heart, but smiles at what's joyful. She loves to cook, and she loves to see people eat.

Notes for LORETTA JEAN BURLESON:

Biography of Jean Burleson Millspaugh

I am the firstborn of Thurman and Mary Jewel Burleson, born October 19, 1942 in Norfolk, Virginia. We lived about one and a half years in Norfolk, Virginia then moved near family in Stanly County, NC. When I was five years old our family moved to Richfield, North Carolina. I grew up on our farm and attended Richfield School grades 1-12. After high school graduation, I went to Pfeiffer College and graduated in 1965 with a Bachelor of Arts in Mathematics. I taught high school math at Mt. Pleasant High School for one year, and 29 more years at Albemarle High School until I retired.

As a country girl, I always took pride in being able to do many things out of the ordinary. At a young age, I was interested in growing flowers and other plants, gardening, yard work, sewing and machine embroidery. I like working with family. In 1989, we began an ice cream business named Poppin John's Homemade Ice Cream which is still very successful. Also in 1996, our family built Rolling Hills Cotton Gin to meet a great need for the area cotton farmers.

I was married to (1) Denny Dan Morgan February 3, 1962 at Cokesbury Methodist Church, Charlotte, NC. He was born December 10, 1939 in Stanly County NC. I married (2) James Sheridan Millspaugh December 7, 2002 in Kendalls Baptist Church, New London, NC. He was born Sept 13, 1939 in Ashley, Illinois.

Johnny Paul Burleson, 84, of Albemarle passed away peacefully in his home on Sunday evening of December 6th 2015, surrounded by his loving family.

Johnny was born to the late Klon Roy and Lena Lowder Burleson on May 30, 1931. He is preceded in death by siblings Ruby Burleson Greene and Jay Brice Burleson.

Johnny is survived by his wife of 58 years, Carol Westbrook Burleson and two daughters that he adored, Cindy Burleson Dry and husband Ron Dry of Albemarle and Angie Burleson Rudisill and husband Alton Rudisill of Catawba, NC. His grandchildren are Mandy Dry Efird (Levi), Travis Dry (Michelle), Jill Dry (Jeremy), Bradley Rudisill, and Hunter Rudisill. After a four year tour in the US Air Force, Johnny graduated from Pfeiffer College and UNC Charlotte's graduate studies program with degrees in Education, Earth Science, and Drivers Education. In his years in teaching, Johnny touched the lives of many students beginning as principal at Brower School in Randolph County before returning to Endy School, where he had graduated with the Class of 1950, he became a teacher and coach. He completed his teaching career at West Stanly High School as driver's education teacher. As an instructor, he covered academic requirements along with many life lessons he continually instilled in his students.

At Pine Grove Methodist Church, Johnny lent support and labor, always inspiring others and recognizing their talents. At DAV Post #12, Johnny served on the ritual team, taking pride in transporting our "War Heroes" for appointments to the veteran's hospital.

Johnny's happiest moments were spent as a farmer in his spare time, many times donating his time to help neighbors. Johnny enjoyed spending quality time with his family that he was very proud of.

For some sixteen years, Johnny enjoyed excursions across our county and abroad with family members enjoying the natural beauty. His classroom experience made him always the teacher on board.

Johnny was a gifted entrepreneur in real estate matters. He purchased, restored, and provided quality homes for many Stanly County families.

Johnny's family extends their appreciation to Hospice of Stanly and the Uwharrie and to Dr. David Catoni for their care and support during the recent weeks. Truly Earthly Angels

Brian Helms

CNHI

Thursday, April 29, 2010 - Brian Lane Helms, age 31, of 22202 Oakwood Road, Albemarle, passed away on April 25, 2010 at his home.

The family will receive friends from 6 to 9, Thursday, April 29 at Hartsell Funeral Home, Albemarle. At other times, the family will meet at his home. Funeral service will be at 2 pm, Friday, April 30 at Hartsell Funeral Home's Lefler Memorial Chapel with Rev. Sammy Case officiating. Burial will be at Norview Gardens, Indian Mound Road, Norwood, NC.

He was born August 5, 1978 in Mecklenburg County, the son of Eddie and Linnie Helms of Albemarle. He is also survived by his son, Hunter Lane Helms of Albemarle; brothers, Kelly Helms and wife Susan of Mooresville and Todd Helms and wife Jennie of New London; sister, Shana Helms and husband Tony of Locust; best friend, Chris Hudson of Albemarle; nieces and nephews, Jacob and Reagan Helms, McKayla, Gavin and Nathan Helms, Kristin and Jace Helms; and his girlfriend of six years, Tanya Lisk of Mt. Pleasant and her son, Kameron Tucker, whom Brian loved and helped raise.

Brian Helms was preceded in death by his grandparents, Charles and Ruby Perrell and Lester Wilburn and Annie Lee Helms.

Brian was a wonderful son, father, brother, uncle, cousin, nephew and a friend to everyone. His main priority in life was his son, Hunter Lane Helms, whom he worshipped. He always said that the one great thing he accomplished in life was his son, Hunter. Just the mention of Hunter's name would bring that big smile to Brian's face.

After having encephalitis at age 21, Brian's life was on hold for a few years and prevented him from doing some things he had wanted to accomplish in his life, but still he kept his great attitude and was

saved on March 9, 2000. A member of Mineral Springs Baptist Church, he had a personal relationship with his savior that he sometimes spoke of. He had a spiritual relationship with his grandfather, Charles even after his death.

He reflected often on his days at West Stanly where he was quarterback, played basketball and baseball and excelled in all three. Brian treasured his family and friends. He often would email or text jokes to his buddies just to make them smile. Brian's great smile and happy attitude could make anyone around him feel better just by being around him.

Brian's relationship with his Mom was more than extraordinary. She was Brian's confidante and they spoke 3 to 4 times a day. It seemed those talks always calmed both Mother and Son, and always ended up with "I love you, my Mama", which was one of the last things Brian said to his Mom.

Brian's relationship with his siblings was remarkable, especially with Todd, who was always his "protector". He knew that he could call on Todd, Kelly and Shana at any time. Brian will be sorely missed by his family and friends but the thought of his great smile and happy attitude will keep him alive in all of our hearts.

Memorials may be made to Hunter Lane Helms Trust Account, PO Box 1730, Albemarle, NC 28002

THE STANLY NEWS & PRESS. Albemarle, N.C., Sunday, June 25, 1995

Several thousand B-24 bombers operated over Europe in 1944 ...this one was named Yo-Yo as its crew hoped it would always come back

Former B-24 gunner recalls Missions high above a Nazi-occupied Europe

By JO ANNE B. EFIRD SNAP Staff Writer June 25, 1995

L.B. Teeter remembers well the day he first came face-to-face with his own mortality.

It was July 27, 1944.

On that day, 30 B-24s from the 155th Bomber Group left a base near Cherignola, Italy, their target Budapest, Hungary.

Teeter was turret gunner on Yo Yo, one of the craft in the high squadron. It was his first mission. Enroute to target four of the 10 bombers in the squadron turned back with mechanical problems.

As they did, the pilot of Yo-Yo maneuvered the plane into the number four position, leaving it with a craft on eitherwing and two wing of leaders in front of them

As they approached target, the tail gunner announced there was a

"dog fight" behind, the plane. Teeter turned his turret to the back of, the craft and noticed the B-24 on their left wing was sliding out of the sky with flames going back by the tail. It had been shot down by German ME 109 and FW 190 fighters.

A 190 came into his view with its belly toward him. He fired. His tracers actually bounced off the armor plating.

"I looked to my left and saw an ME 109 that appeared to be flying formation with us. Actually he was getting into position to fire on us. I put the turret in high speed, got two 50-caliber machine guns into position and started firing. The first tracer went left of the propeller, the next one into the engine compartment. The third one went into the body of the aircraft and the 109 went out of view."

They dropped their bombs on their target and went "home." The crew got credit for two fighters down and three probables on that mission. Only two aircraft of the six that remained after four turned back came home. The group lost 10 bombers in all that day.

For that first mission he was awarded the Distinguished Flying Cross. He was also made very much aware of how close to death he had come. It scared him. He told himself, "There's no way I will ever see the U.S. again. I have to fly 34 more missions like that."

Before he could go back to the states, he must fly 50 sorties, with 35 of them "over the target." Some especially dangerous sorties counted as two.

Throughout those missions he had evidence more than once that he did not always come home due to his own actions. On another mission, in September, the target was Munich, Germany, headquarters of the German Luftwaffe. They were to take out an airfield. The flight plan was to go up around one side, come down and bomb the target on the other. As they were making the circle, their navigator told the pilot the lead navigator was off course and was completely off his map. "We were out of sync," Teeter said, .and on a collision course with another group of planes."

The group leader did a 360-degree turn with 28 B-24s to come in to hit it again.

That time they came on a collision course with still another group of planes.

They flew in circles that way an hour and a half trying to get to the target. Finally, Teeter, who was engine gunner on this mission, told the pilot, "If we don't turn back now, we won't have enough fuel to get back."

As they started back over the Alps to Italy, he transferred fuel from the wing tanks to the engines.

On their final approach to the base, one engine quit - no fuel. As they set down on the runway, the second engine went out - same problem. As they pulled into their assigned parking place the third of the plane's four engines went out.

Turning off the one engine left running, the pilot asked Teeter if he had actually figured that closely.

He hadn't.

"It was God's grace, His protection, that kept me," he says. Theirs was the first plane back from the mission. The others had stopped in northern Italy for fuel.

From July to September that year he flew 35 sorties. By December he had his 50 sorties, including his 35 "over the target." His last mission was Dec. 6, 1944. He came back home Dec. 30, 1944 as a tech sergeant.

The B-24 was a four-engine heavy bombardment bomber. They named theirs Yo-Yo because they hoped it would always come back. It lived up to its name.

"You hear a lot about B-25s," Teeter says, "but you don't hear as much about B-24s. I want people to know about the B-24s:"

Teeter says the plane, made by Boeing, carried a normal bomb load of 10,500-pound bombs or six 1,000-pound bombs. He estimates there were from 3,000 to 5,000 of them in Europe during war. At one time, there were, 1,000 based in England and 1,000 based in Italy

Teeter enlisted in the- US Army Air Corps in February 1943. He was 19 years old.

He left the states-June- 30, 1944 and came back Dec.30, six months to the day. In that time he flew over Romania, Czechoslovakia, Austria and Hungary, all held by the Germans and the southern part of Germany itself.

For his service in the skies over Europe he was Awarded the Air Medal with three Oak Leaf Clusters, which is the same as four Air Medals. He was also awarded the European Theater of Operations Medal with four Battle Stars, and the Good Conduct Medal, as well as the aforementioned Distinguished Flying Cross.

The Germans surrendered in May 1945, the Japanese in August.

Today, as director of the Singing Americans, Teeter will lead a salute to all who served as he did in World War II.

The concert is at 3 p.m. at the Agri-Civic Center. Afterward there will be a reception for the World War II veterans and their families, sponsored by the Albemarle Downtown Development Corporation. The county and four towns have declared this day World War II Anniversary Celebration Day.

To some it was history, a long time ago. To some who lived it, it seems like yesterday.

"It's still so real," he says of those days over Europe. It was 51 years ago, but it's still real.

Notes for IRA THOMAS (JR) CHAPMAN:

Dad and his friends, Bob Benson and Troy Alexander, who were a year ahead of him in school, hitchhiked to Charlotte to enlist in the Marine Corps. At that time, 17 year olds were old enough to enlist. Dad was only 16 but told the recruiter he was 17. The recruiter promised them they would go in together but that did not happen. Bob was called up first and then Troy. Dad was called last and was sent to basic training at Parris Island.

I asked Dad why they chose the Marines. He said in 1943, the papers were full of what the Marines were doing in the South Pacific. They were also influenced by war movies like "The Halls of Montezuma" and "The Shores of Tripoli" and others.

His first assignment after completing training was in Washington, D.C. and then he was sent to guard the President at Shangri-La. He then served at the Panama Canal to prevent saboteurs from attacking the canal. He said the Marines he served with Panama were sent there onboard a boat loaded with bananas. He said they ate the bananas.

Dad and his friends served three years and returned to Kannapolis after they were honorably discharged in 1946.
